FRIEDRICH SCHILLER

a man of

VISION

10 November 1759 - 09 May 1805

Friedrich Schiller, the Great German playwright, historian, poet, philosopher and humanist was essentially a man of vision who envisioned in his works man as a spiritually and morally free citizen of the world. He believed that the use of force deprived a man of his essential humanity. Schiller was a great prophet and champion of human freedom. But he knew that true freedom could be obtained only within the framework of certain conditions of existence, the fulfillment of which was a necessary prerequisite for any kind of freedom. Schiller's idealistic convictions continue to illuminate the path of the seekers of truth, beauty, goodness and freedom.

“Every individual human being carries with-in himself, as his potential and destination, the pure ideal image of man. To be in accord with the immutable oneness through all changes is the great task of his life.”

“Always strive for Completeness and if Completion eludes you, Serve – as an integral part – something already complete.”

“Only the fiery steed, the Courageous, can fall on the race track. Thoughtfully choosing his steps ambles the donkey along.”

“The mind grows narrow in a narrow sphere, and man grows great with greater purpose.”

Late Dr. D.K. Mittal

Late Smt. Santosh Mittal

योग युक्तो विशुद्धात्मा विज्ञितात्मा जितेन्द्रिः!
सर्वभूतात्माभूतात्मा कुर्वन्नपि न लिप्यते!!

OUR FOUNDERS

Great people enlighten their surroundings. They are neither born nor do they die. They leave an everlasting impression on the heart of mankind. We cordially pay homage to such great founders of Schiller Institute Senior Secondary School – Late Dr. D.K. Mittal and Late Smt. Santosh Mittal. They had a lofty vision not only to produce brilliant students but also to make them aware of their dignity as good human beings. They laid down the foundation of Schiller Institute Sr. Secondary School in the year 1980. Schiller has lived 40 years of glory and excellence in the arena of education. The school has always been privileged to have sodality with the German Embassy and other foreign dignitaries also. The vision is to help in creating effective leaders with strong moral character having love for learning, outdoor activities and cultural values; possessing high principle of duty and devotion to the Mother land. Though, today they are not amidst us, still their blessings from heaven have always been embracing us. They and their dreams will always be cherished in our hearts and will guide us forever. The present administrative body is determined to promote the vision that was endearing to the founders of the school by channelizing each child's potential, talent and energy into a productive hand in the growth of the global society by enabling them with sufficient knowledge of technology, quest for excellence, moral, social and cultural values.

MESSAGE FROM CHAIRMAN'S DESK

CHAIRMAN'S MESSAGE GOALS OF EDUCATION

Welcome to Schiller Institute Senior Secondary School
(Affiliated to CBSE) !

Mr. A.K. Gupta
B.E.(Electrical), M.B.A
CHAIRMAN
Schiller Inst. Sr. Sec. School

It has been more than 40 glorious years that we are arduous towards our endeavour to blend Indian values with global outlook in our students. The experience has been very encouraging. We believe that the initial steps in Education begins here. We do this by providing a secure caring and nurturing environment to enable students to develop the desire and passion for learning both now and in the future.

Our Institution is named after the German poet, Friedrich Schiller who was a philosopher, poet and play wright. Schiller Sr. Sec School has a rich tradition of serving the Nation in a distinguished way.

I am proud to be a part of it. I am sure each individual associated with the school must be having the same innervations. Human beings are meaning seekers. Only those who have the kinaesthesia of history are able to go beyond it. I deem that our common history and heritage beckons us to march forward beyond the known horizons. Education is not just a process of giving knowledge for a future job but a lifelong process which creates an understanding of moral and ethical values to guide's one's life and make our students the future hope of the country. Let us strive towards a new future, counting on our natural talents, inner strength and trust in God. Our former President A P J Abdul Kalam Azad, asked "Can we make an education system which will retain the smiles on the faces of our children throughout the period of their education?" We are committed to meet this challenge.

"To succeed in your mission, you must have single
- minded devotion to your goal"

MESSAGE FROM DIRECTOR'S DESK

First of all, I want to sanctify genuflection to our founders for their blessings and strength thus, enabling us to carry forward their dreams to the pinnacle in shaping the future of great minds.

Schiller Institute Sr. Sec. School is a Symbol of Progressive, child centred and Quality education. Our Motto, "Let Noble thoughts come to us from every side" is a quote from 'Rigveda' which capture the essence of our spirit

The school is scaling new heights with excellent and reputed trained staff thus giving exposure and training to our students in a wide range of scholastic and co-curricular activities like Sports, Music, Dance, Foreign languages, Science Research Labs, Astronomy, Olympiads, NTSE, SAT, major competitive exams and much more.

To make our students globally congruent and complacent from time to time. Foreign dignitaries are invited in the school and students visit different Embassies of many countries where interaction with different luminaries provide gain in knowledge and gives global exposure to students about different culture and career avenues.

Most importantly, at the school, we are a team of dedicated teachers and staff, committed to the welfare of children in our care. For us teaching is a passion. The importance of instilling good values in our students is our prime objective, so we try to hone the talents of our children in a manner that they reach up to their optimal potential.

In the process they acquire skills necessary to build a well-rounded personality. We are fortunate to enlist a team of committed and passionate teachers who nurture our students on this path.

We encourage questioning as we want them to be agile in their thinking. We stoke their spirit of discovery and enquiry. As Einstein remarked-"Education is not so much the feeding of facts into the mind as the awakening of curiosity in the soul." Hence, we want our students to be lifelong learners.

The paramountcy of our aspiration is to make education a fun-filled, enjoyable, learning and growing experience on the solid foundation of values. We believe it is important to create an environment where students look eagerly forward to come to school. We want them to have conglomerated memories of their time spent with us, long after they have left the portals of the school.

Recurrently, my heartiest wishes and blessings to the students and to the entire Schiller family.

Mrs. Preeti Gupta
Director
Schiller Inst. Sr. Sec. School

Message from Director's Desk

Dear Students and Teachers,

I would like to congratulate you on the successful release of yet another edition of "Shakuntalam". I am sure the team worked hard and toiled away to produce this fantastic piece of work.

I would like to express my admiration for our diligent teachers and assiduous students who keep raising the bar every year.

I take this opportunity to inform you that we are offering phonics based readiness classes by ABC Champ which will help your child to be prepared for the future. You can learn more about these programs at www.abcchamp.com.

I cannot wait to see how the school will grow and prosper. Hope that next year, I see something even more amazing!

With best wishes,
Mrs. Nidhi Gupta

Mrs. Nidhi Gupta
DIRECTOR
Schiller Sr. Sec. School

“Teaching is a very noble profession that shapes the character, caliber, and future of an individual. If the people remember me as a good teacher, that will be the biggest honour for me.”
-A. P. J. Abdul Kalam

Message from Vice Principal's Desk

The Beginning is Important. Give a Good Beginning to Your Child
We all want to live in the society, where there is love, peace, joy, harmony, development, freedom from violence and corruption. The dream of good society should have a foundation. One of such foundations is "Education". A school is not merely a building surrounded by four walls. It is a place that shapes the personality of a child. If we want our society to be good, then the primary requirement is quality schools. Educational institutions recognize and utilize hidden talents of students. Education helps to ignite the young minds and mould them to be honest and good leaders of the society and nation.

We, in Schiller ensure that education for your child is a melange of academics, co-curricular activities, sports and life-skills learning. We bring to you a state-of-the-art infrastructure with an internationally acceptable education steeped in experiential learning to nurture young minds that are bustling with self-confidence, motivation and ever ready to take up challenges. The expansive green campus, the interesting range of sports and club activities offered coupled with outstanding academic standards all bear testimony to this endeavour.

The credit of the success story of the school goes to the ever supportive parent community and the qualified teachers. Schiller school believes that learning is a lifelong process and faculty development is always a priority. Teachers of the school are kept updated with the latest through continuous teacher training programs and interactive sessions which enables them to deliver value added quality education.

We are confident that this school is the best place for your child. We appreciate and value your active interest and engagement in the progress and activities of your child. We look forward to your continuous support.

Mrs. Alpana Srivastava

VICE PRINCIPAL
Schiller Sr. Sec. School

About The Magazine

Purpose of School Magazine

It is an anecdote for the students, by the students.

The school magazine is a mirror which reflects the efforts, hard work, inputs, collaboration of the child, educators and Parents as a whole. It is a platform where the expression of student's abilities and achievements are marked which they have performed and participated throughout the year. It can be very well said that small steps make the footprints which help child to move ahead in life with confidence and positivity to reach the desired goal.

“The walls of the temple of knowledge never dies but echoes with the empowered, intellect, passion, technology that lies within the soul of each single Educators“

Schiller salutes the teachers for rendering the best of Education.

“ INTEREST IS THE KEY TO SUCCESS ”

Mr. A.K. Gupta
B.E.(Electrical), M.B.A
CHAIRMAN
Schiller Inst. Sr. Sec. School

Recently, the results of CBSE class X and XII Board have always been remarkable and everywhere in the newspaper and news channels toppers of the Board are being discussed. Schiller Sr. Sec. School also congratulates all the students and wish them a bright future. The Year witnessed Board exam result of majority of the students was very good, but some of the students who were unable to perform well, should not feel disheartened or demotivated, as marks are not only the basis to evaluate and judge the capabilities of students, and it is not justifiable to evaluate any student's potential on the basis of marks.

If we analyse the CBSE Board exam result, it can be concluded that only 1.25% of total no. of students have secured 95% or more. It means that we are focusing on the achievement of only those 1.25% of student's and ignoring the rest 98.75% of students and their achievements. The listed toppers, which we got after the result analysis, and if we compare their achievements with the success of the rest, then their success-ratio is not less than the success -ratio of the toppers. In the past, those who secured very less marks in their Board - Exam are leading a successful and respectful life in the present time and are quite well-known personalities of their society. The present Education system, rather than valuing the interest of the students, give importance to the marks they obtain or percentage they secure, and they are forced to choose their stream for their next class. The result is ... most of the students become helpless and they have to learn those subjects in which they are least interested. For anyone to do the task, in which they have no interest, will reduce their productivity level as well as their success ratio.

Schiller School has been keeping this in mind since years and is providing the desired subjects and stream to the students. You will be quite glad and surprised to know that by adopting such policy, we got results beyond our expectations.

When the result of our adopted policy was compared to the most common and existing policy the result which we found showed the increment of 15 - 20% in the student s result. In such student's self-confidence comes to such an extent that they no longer consider themselves as weak students rather they inspire themselves by saying 'Yes I can also do'.

The students and their result enhancement can be seen on our school website. Students performed very well in their XII Board exams. These students, who were unable to perform well till their pre-board-II exams but with the continuous motivation and counselling done by the teachers and the untiring dedication shown by the students they just not only passed but also showed remarkable results in different subjects. This has been proved by the students who secured 90 and 95 Marks respectively in Hindi Subject this year.

For any query or proof related to this subject matter, one is welcome to go through the school website i.e.

“www.schillerschool.org”.

This is my humble request to all the eminent fraternity of the education system that we should not only focus on the marks secured by them but also on their capabilities and talents. Hence it is our moral and social responsibility to encourage and motivate students, who secured less marks so that they do not deviate from their dreams and also we can lend a helping hand in their strive to make their future dreams come true in achieving their goals and accomplishing their tasks.

Mr. Sachin Kumar

Mr. Joseph Alexander

Mrs. Daya Yadav

Mr. Ravi Kaushal

Mr. Ankit Verma

Ms. Kirti Kumari

Ms. Ritu Chauhan

Mrs. Vanjul Yadav

I think when you're keep-deep in coming up with editorial plans, the desire to sit down and pencil something is pretty strong.

From the Editorial's Escritoire

Forty years back the foundation of a school was laid in Ghaziabad that changed the face of education in the city. Schillerites are shining in every field, be it academics or Extra co-curricular activities, at National and Inter-National level. Hats off to those who have worked incessantly to take it to heights. Education is slowly but steadily gaining a new dimension in India and this change is hopefully going to yield some great fruits in the future. Sports meet - Spardha is yet another feather in our cap which showcase the sportsman's spirit in Children. Foreign embassy visits and career counselings are making a child to be able to think out of the box. This has only been possible because of the immense opportunities provided by our Chairman Sir, Director Madam and entire Schiller family. They have taken Personal interest in each child and have been a source of great inspiration and motivation for all of us. SHAKUNTALAM :- The annual school magazine is an avenue where students give vent and expression to their literary and creative talents. We are certain that by going through its pages readers will get a view of the facets that make Schiller Sr. Sec. School, Ghaziabad. Ours is the only school in Ghaziabad whose students have made Solar Car "AURA 2.0" which is an International winner amongst 14 countries in contest named as the Asia Pacific Conference of Young Scientist in 2016. We have come a long way since the publication of the first edition of SHAKUNTALAM and have surmounted many levels of excellence since then. In the years to come, we foresee dreams for every Schillerite being fulfilled and shine as kings and leaders in every field. We wish them prosperity and good luck.

Excellence at Par “Yesterday I dared to struggle, Today I dare to win”

Winner at CBSE Regional Science Exhibition 2019 & Qualifier for CBSE National Science Exhibition

Schiller Student Master Krishna Gupta proclaims as winner at prestigious CBSE Regional Science Exhibition 2019. Master Krishna Gupta has once again proved his ability by emerging as winner in the CBSE regional level science exhibition held on 29th and 30th November 2019 at Seth Anand Ram Jaipuria Public School Ghaziabad. A total of 128 teams from 88 schools participated in team as well as individual category from different parts of Region of Uttar Pradesh. The 21 models selected for the National level. The model prepared by Krishna Gupta was adjudged as one of the best. The winning model prepared by Krishna under the sub-theme of future transport was a working model named as Airplane Crash Locator. The novel idea shown by Krishna Gupta not only won the admiration of the judges but was also suggested as a subject viable for further research. Chairman Shri Ajay Kumar Gupta ji congratulated Krishna Gupta for this splendid, remarkable and profound victory.

CONGRATULATIONS!!

ACADEMIC HONOUR BOARD

SOLAR CAR AURA 2.0

SCHOOL IS PREPARING ITS STUDENTS AS CITIZENS FOR TOMORROW BY TAKING INSPIRATION FROM HON'BLE PRIME MINISTER'S MISSION 'SKILL INDIA, SWACHH BHARAT, MAKE IN INDIA , DIGITAL INDIA AND WOMEN EMPOWERMENT'.

CONCERNS OF THE NATION

Pollution, Global Warming, Women Empowerment, Corruption, Poverty, Terrorism, Communal Riots, Inflation, Unemployment and Unskilled People.

WHAT IS EXPECTED FROM A GOOD CITIZEN NOW?

There should be sensitisation towards the given concerns

Synthesizing of 'AURA 2.0'

Solar Car launched by Schillerites has already won laurels for the school in Asia Pacific Conference of young scientist by winning Gold medal & INR 1 Lakh amongst 14 Countries in 2016. This year again Schillerites have made us proud by coming up with another version of Solar Car (Aura 2.0) with advanced inbuilt features which is equipped with lead-acid batteries. It will contribute in making our country pollution free as no harmful emissions are emitted by using solar cars. Apart from that solar cars do not require any expense for running as it works on the energy obtained from the sun, which is then converted into electric energy for the running of the car.

FEATURES:

- It can accommodate 5 persons
- It runs on Solar energy
- It can cover a distance of 160 Kms in one charge
- It is capable of replacing current commercial vehicles

GOLDEN ACHIEVEMENT

“The only source of knowledge is experience.” – Albert Einstein.

SOLAR CAR 'AURA' INITIATIVE TAKEN IN 2016

Schiller Research Club students marked their footsteps in the history of inventions and research. They made Schiller family proud by making energy efficient Solar Car- 'Aura'. Showcasing solar car in school's Annual Function 'Nirvana' to all parents and students. The Solar car was appreciated by Dr. PB Sharma (Ex Vice Chancellor of DTU) and Praised by our Hon'ble District Magistrate Mr. Vimal Kumar Sharma. Solar car gained appreciation in Media and a report was showcased on IBN7 News Channel.

SRC Club President Arnay Says:

I am proud to announce that we SRCians have built a solar electrical vehicle AURA. It was really a big challenge for us to do something like this which has never been done before in any school, but at the same time it was our chance to prove ourselves and show what we young scientists can do. My club members along with me worked day and night on this project which was nearly impossible at our level and as a result, yes, we did make a car which was a blend of our imagination and needed no fuel to move (except sun-rays) and is pollution free vehicle. It is capable of carrying 5 passengers at a time, with a top speed of 60Km/hr. It can cover a distance of 160Km. It was really a proud moment for me and my club members, my teachers, my school and everyone without whom this project would have been impossible.

After all: "Knowledge is limited imagination encircling the world" – Albert Einstein.

MAJOR ACHIEVEMENT

INSPIRE AWARD - MANAK (BY DEPARTMENT OF SCIENCE & TECHNOLOGY AND NATIONAL INNOVATION FOUNDATION-INDIA)

Congratulations KRISHNA GUPTA, AARUSH JOHRI and MADHAV DUSAD (for Science Project/Model)

INSPIRE Award aims to motivate students, in the age group of 10-15 years and studying in classes 6 to 10, to pursue Science and a career in Research.

Under the INSPIRE AWARDS - MANAK Scheme, students are invited to send original and creative technological ideas/innovations focusing on common problems and come up with solutions on their own.

inspire awards - manak
million minds augmenting national aspiration and knowledge

Certificate of Award

Krishna Gupta - class 10, Madhav Dusad - class 6, Aarush Johri - class 8
has been selected for an INSPIRE Award of Rs. 10000/- (Rupees Ten Thousand Only)

Scholarships

Founders' Day is traditionally a very important day in the school calendar when members of the school community – students, teachers and staff – meet to commemorate those who founded the school and who have bequeathed resources to its development.

The Co-curricular activities improve the learning experience of students, help them identify and develop their inner talents like creativity, leadership qualities & public speaking skills. Co-curricular activities are an essential part of school life and helps in enhancing learning process of students.

Our school celebrated FOUNDER'S DAY. These students participated and excelled in their performance. They were given scholarship by our respected Chairman Sir and Director Mam.

SR. NO	CLASS	STUDENT NAME

16	XII	Payal Shukla

Important Events/Awards in Schiller

1) FOUNDATION DAY (7 FEBRUARY)

Foundation Day is a day etched with tradition and history. On this day we celebrate the birthday of Schiller School. We are reminded of how the school was formed 40 years ago and we reflect on the very early days of the school and how far we have come as a school community.

2) INVESTITURE CEREMONY

Investiture ceremony is to designate the office bearers with the badges and duties are assigned to them according to their posts. The student council takes the oath to fulfil their duties to the fullest of their capabilities thus abiding by the rules of the school.

The post of the office bearers are:

HEAD BOY-01

SENIOR HOUSE CAPTAIN – 04

SENIOR HOUSE VICE CAPTAIN – 04

JUNIOR SPORTS CAPTAIN – 01

JUNIOR SPORTS VICE CAPTAIN – 01

IT CLUB PREFECT – 01

3) **SPARDHA- The Annual Sports Meet** - Spardha is the Annual Sports Meet which is held every year. Various competitions are organized catering to different sports both at junior & senior level and the best sport person and winners of different events, class wise are awarded. Best House trophy is also given and it is judged on different activities based on Creativity, Sports, Literary and Cultural activities conducted in the school throughout the year.

4) ANNUAL DAY /CARNIVAL

100% participation is ensured and the students exhibit their talents in the fields of art, music, dance and theatre. Some awards were also been awarded like Alumni, Overall School Topper and Subject Toppers of class X and XII, Young Achievers in different fields, Student of the Year & All-Rounder Trophy.

5) ANNUAL EXHIBITION (Science, Subjective) /FETE

This aims to display the talents of students in different fields such as Art & Craft, Science, etc. apart from providing them the opportunity to build team spirit and leadership qualities.

6) **FAREWELL** - Time flies away with a goodbye and showering good wishes to students of class XII every year, to mark the years as remembrance which students spend in school Farewell is given to them by the school and XI class. Some students are recognised with these awards – Scholar, 100% Attendance, Most disciplined, Initiator, English Orator, Well Groomed, Best in Sports, Ms. Schiller, Mr. Schiller and All-Rounder.

7) SAMVID - "Taste the relish to be found in competition in having put forth the best within you"

With this belief every year Schiller Institute Senior Secondary School organises an Inter School Competition 'Samvid' to boost and raise the confidence of their students. This is a very healthy competition as students are assessed not only within the school but are compared with the students of all the other schools too. They get the opportunity to explore their potential to their fullest.

8) **NIKOLA TESLA** - Nikola Tesla Science exhibition is being held wherein students showcased static and working models which can be used for learning various scientific concepts for children of the age group 13-18 years. The objective is not only to inculcate a scientific attitude and research-mindedness but also creating teaching aids. It involves students to participate in activities so as to understand the cognitive, affective and psychomotor aspects of the task. Furthering this philosophy School of Education organized a science exhibition where students showcased their talents on creativity and innovation.

Important Events/Awards in the School

- The scholarship money will be adjusted in the fee every month.
- Scholarship will continue in grade XII only if the student maintains the following throughout the academic session grade XI- 90% or above & 85%-90% respectively.

HOUSE DETAILS

The entire school community is divided into four houses. They are

House	Colour
Sabhyata	Yellow
Sanskriti	Red
Astha	Green
Anubhuti	Purple

Each house has a team of faculty to guide the students and to foster a spirit of leadership, cooperation, mutual understanding, tolerance and self-reliance. Various Inter House activities are organized to build up team spirit. Besides this, the students are motivated to hold community services and social work. The House system begins at the Primary level and is carefully monitored at every stage and the details are recorded at every step. The House Captain and Vice House Captain act as a link in the Schiller system acting as friends, philosophers and guides.

“The Best House is awarded by Winner Trophy named Smt. Santosh Mittal Trophy” in SPARDHA.

TECHNOLOGY@SCHILLER

SCHOOL WEBSITE

Par excellence is assured by having a dynamic website of our school.

MOBILE APP

For busy high-tech parents, school has started mobile app service. With this they can access ERP on their mobile at ease.

FACEBOOK

From tiny tots to future scientists our student's work is available on our facebook page link: <https://www.facebook.com/schillerschool>

Full CCTV Coverage

Our School has well-equipped professional security staff with Lady Guards in each bus. Rigorous security check points are there so that students are not able to carry any electronic or unwanted material inside the school campus. The school is under CCTV surveillance. For safety reasons, we do not hand over the child without checking the Parents ID Card.

HYBRID CLASS

We have converted our Smart Classrooms to Ultra-Smart Classrooms that now gives our teachers the capability of teaching both types of students (at home and in class physically) simultaneously.

GPS TRACKING SYSTEM FOR BUSES:

To keep 100% watch over the bus routes and child's safety, GPS tracking system is installed in all our Transport buses. Tie up with Premium Bus Service 'Shuttle'

Education Resource Planning (ERP)

Schiller-ERP is a web based system that enables parents to access the student's information and continual progress in real time. Parents can access students and school related activities on the web using a secured login ID provided to them. It is a programme that integrates all data and processes of the school into a single unified system. It is a complete school management and effective resource planning tool. School ERP is the link between everyday school life of the students to their parents.

ERP provides information of students and school

The student's profile and details as it exists in the school records Attendance, Discipline, Date sheet, SAG, Monthly Planner, Assignments, Marks and Grades obtained in Examinations, Latest Circulars and notices issued, Latest happenings in the school. Fee status, Mailing facility, photo gallery of all activities report.

Role & Expectations of House

The role of houses is one of the privilege, pride and responsibility. They are more than just a badge. It requires dedication and commitment for an entire year. Each house contributes an assortment of spills and ideas to the job. The house presents positive role model and Ambassador for the school.

Selection Process: The child is selected according to his/her choice which will be followed by written test. After that interview session is held in which the child is assessed with formal parameters and then Prefectorial Council is formed.

सभ्यता सदन

MATHS WEBINAR FOR SCHILLERITES

“The essence of Mathematics is not to make simple things complicated, but to make complicated things simple.”

Maths Workshop was conducted on 12 Dec. 2020 for class 2 to 5. The main motive of the workshop was to make students learn some tips and tricks by which they can get over the difficulties related to Maths by making it an amazing and easy to do subject.

The Webinar was really a success because the students as well as their parents enjoyed the session and were very happy to learn new things.

10 and 11 times tricks

The trick to multiplying any number by 10 is to add a zero to the end of the number. For example, $62 \times 10 = 620$. Same we will follow for 100, 1000, 10000

www.free-power-point-templates.com

HOUSEHOLD CHORES

Estimate the time it will take to clean a bedroom or toy box. Then do an accurate timing and compare.

OUTDOOR ACTIVITIES

Look for things to count, then compare and tally. For example, ask, “How many doors do you think there are on this street?” Take the time to use math in physical activity. Can your child run faster or jump farther than they did the last time? Use rulers, stopwatches and tape measures to track distance and time.

ON THE ROAD

Play number games in the car. Try a mathematical scavenger hunt. Take turns choosing and searching for something specific, such as a truck with eight wheels, a speed limit over 60 km/h, a house number, or shapes in the environment.

👁 Schiller Class 5 (host)

👁 Schiller Class 5 (host)

Two-step

Multiplication

Josie has 4 black T-shirts. She has 3 times as many white as black T-shirts. How many T-shirts does she have in all?

white  }
black  }
4

$3 \times 4 = 12$
 $12 + 4 = 16$
Josie has 16 T-shirts in all.

Division

Elsie divides 20 paper clips equally among 4 girls. She then gives each girl 2 more paper clips. How many paper clips does each girl have?

 }
20

$20 \div 4 = 5$
 $5 + 2 = 7$
Each girl has 7 paper clips.

Multiplication and Division

Douglas has 4 boxes of pencils. Each box has 10 pencils. He gives the pencils to 8 children. How many pencils does each child get?

 }
10

$4 \times 10 = 40$
He has 40 pencils.

 }
7

$40 \div 8 = 5$
Each child gets 5 pencils.

VISITS AND WORKSHOPS

ART AND CRAFT WORKSHOP 19th December 2020

On 19th December 2020 Schiller Senior Secondary School organized an online workshop of Warli Art for the student of class 1 to 3 and Mandala Art for the student of class 4 and 5. In which students participated enthusiastically. They were very happy to learn new form of Art and tried to make the new version of Art themselves.

WARLI ART

Warli painting is a style of tribal art mostly created by the tribal people from the Maharashtra India. Warli artists use their clay huts as the backdrop for paintings, similar to how ancient people use Cave walls on their Canvases.

MANDALA ART

Mandala is a complex abstraction design that is usually circular in form. In fact, Mandala is Sanskrit word that means "Circle". Mandala can contain both geometric and organic forms.

ONLINE FELICITATION CEREMONY

09th January 2021

Online Felicitation Ceremony “The starting point of all achievement is desire. If one has the desire to succeed, one surely will.” To boost the morale of the students of the Schiller Sr. Sec. School, the first ever Online Felicitation ceremony of class 11 and 12 was held to celebrate the achievements of young learners. It was the time to applaud and reward the students for their sincere efforts during the academic session 2019-20.

CAREER COUNSELLING

18th January 2021

We strongly believe in the notion that education is essential for the enlightenment of an individual. In an endeavour to provide our students with meaningful experiences to enhance their college and career readiness, a digital conclave was organised for both parents and students of classes XI & XII.

Sessions planned for students:

- Chartered Accountancy
- Banking as a career
- Journey of a start-up
- NEET, IIT JEE
- SAT
- Commercial Pilot

A series of wonderful and informative career panels provided the students a glimpse into the various career fields. There were host representatives along with students to guide them about the courses, eligibility criteria, scholarship etc.

CELEBRATIONS@SCHILLER

40th YEAR OF CELEBRATION IN EXCELLENCE OF EDUCATION 16th January 2021

“When we honour the past, we energize the Future and the Present becomes a celebration.”

Schiller Institute Sr Sec School Rajnagar, Ghaziabad celebrated its 40th years of ‘Excellence in Education’ (1980–2021) on Saturday, 16th January, 2021.

The Day was dedicated to the everlasting memory of great visionaries and philanthropists Late Dr. D K Mittal & Smt. Santosh Mittal who valued the importance of education for a progressive society.

Honourable Dr. Anil Aggarwal (Member of parliament from Rajya Sabha) was the Chief Guest of the occasion.

The Honourable Chairman Mr. Ajay Kumar Gupta reminisced about the progress the school had made during these years and acknowledgements were made to several persons who had helped in that effort by recognizing their contribution made in the learning process.

The Teachers and students were felicitated by the Respected Chief Guest, Chairman Sir & Director Ma’am. The programme culminated with a formal vote of thanks proposed by Ms. Alpana Srivastava, Vice Principal of the school.

The Day was an exuberant day, modelling way for the ever successful events to come forth.

"Freedom in the mind, Strength in the words, Purenness in our blood, Pride in our Souls, Zeal in our Hearts"
Let's salute our India on its 72nd Republic Day.

No matter, Celebration get effective during this COVID Era, but we are Indians, we know how to get through hard times.

Schiller Institute Sr. Sec. School celebrated 72nd Republic Day with full zeal and zest. The program was inaugurated by the respected Chairman Sir by hoisting the National Flag.

Some patriotic songs were sung by the teachers. The program was culminated by a motivational speech of the Chairman Sir.

An online program was prepared by the students and the teachers in which students, as well as their parents, participated with great enthusiasm.

CELEBRATIONS@SCHILLER

40th Founder's Day Celebrated in Schiller Institute Sr. Sec. School 06th February 2021

Life is not made up of minutes, hours, days, weeks, months or years, but of moments...

40th Founders' Day was celebrated in Schiller School with great fervor and gusto on 6th February, 2020 in the School Auditorium. The Day was dedicated to the everlasting memory of great visionaries and philanthropists Late Dr. D K Mittal & Mrs. Santosh Mittal, who valued the importance of education for a progressive society. Honourable Dr Pramod Agarwal IAS (Retd.), a reputed Author, Administrator, Advocate and a Consultant was the Chief Guest on the occasion.

The day was celebrated with fervour, zest and enthusiasm in the school. An extravaganza of activities was conducted. All activities were designed to contribute towards an all-round development of young Schillerites. The audience was spell bound by the melodious and magical performances of the students of the School.

A prestigious Award ceremony was conducted in which awards for extracurricular activities were received by the students who excelled in all round activities. True to the school traditions the Awards given out were not just to recognize grades or achievements alone but also to extol questions that build character.

The Chief Guest Dr Pramod Agarwal Ji praised the school for its marvellous achievements both in scholastic and co-scholastic areas.

The Chairman of the school Mr. Ajay Kumar Gupta appreciated the talents & skill of the students and motivated them with his inspiring words. He reminisced about the progress the school had made during the last 40 years.

In her address, the Director of the school Ms. Preeti Gupta said that the chief aim of the school is to create a lively, stimulating and conducive environment.

The day culminated in a memorable PPT Presentation entitled, 'School's journey & achievements'. Finally, the Vice Principal of the school Ms. Alpana Srivastava proposed a vote of thanks on behalf of the entire school. Over all it was a day of celebration, instilling the core values of honesty and perseverance and upholding the philosophy of the school founders Late Dr. D.K. Mittal & Late Mrs. Santosh Mittal.

KINDO PLANET

Father's Day celebration 18th June 2020

"He teaches me how to be strong, he loves me unconditional, he is hard outside and loving and caring in a nutshell"

He is my hero my father.

Father's Day is a celebration honouring fathers and celebrating fatherhood, paternal bonds, and the influence of fathers in society.

Schiller school celebrated Father's day with a lot of enthusiasm on 18th June 2020. The students of Kindo Planet prepared very beautiful and decorative cards. It was an attempt to encourage fathers and children to spend quality time with each other.

KINDO PLANET

JANAMASHTMI CELEBRATION

10th August 2020

“Janmashtami is celebrated as the birthday of Lord Krishna, one of the most powerful and famous reincarnations of Lord Vishnu”.

To seek the blessings of Lord Krishna, Janmashtami was celebrated at the Schiller School with mirth and joy. The School took the opportunity to both jubilate and learn with the young minds. The students dressed up as lord Krishna and Radha, complete with flutes, peacock feathers and matkas.

INDEPENDENCE DAY CELEBRATION

This year, Schiller school have ensured that the fervour of patriotism lives on, and shifted their Independence Day celebration online.

Students of Schiller Sr. Sec. school, celebrated Independence Day, where students wore tri coloured dress and were encouraged to speak few lines on Independence Day under the guidance of their respective teachers in their homes.

KINDO PLANET

MAHATMA GANDHI JAYANTI

Mahatma Gandhi or more lovingly known as Bapu by all Indians is internationally acknowledged for his doctrine of non-violence that led to India to its glorious freedom.

The students of the school paid a true homage to Gandhi ji by sharing his thoughts and views with eye catchy slogans. Students were beautifully dressed up as Gandhi ji to pay reverence to him.

DUSSEHRA CELEBRATION

To mark Lord Rama's victory over Ravana and to reinforce the message that good always triumphs over evil, the students of Schiller Sen. Sec. school made attractive mask and mukut on occasion of Dussehra.

The children came in traditional attires. Few children dressed like Sita whereas a few boys dressed like Lord Rama and Hanuman

A virtual assembly was held wherein the story of Ramayana was shown through a musical presentation. The day was filled with great joy and enthusiasm. Children learnt values of honesty, respect, humility and obedience, which are the core of the epic story - Ramayana. Overall, the celebration was appreciated and enjoyed by all.

KINDO PLANET

DIWALI CELEBRATION

“From darkness to the light that empowers us to commit ourselves to good deeds, that which brings us closer to divinity; lights illuminate every corner of India during Diwali and the scent of incense sticks hang in the air, mingled with the sounds of fire-crackers, joy, togetherness and hope.”

To make the students understand the importance of Diwali, Schiller had a virtual celebration in school on 10th November 2020. The celebration started with Ganesha and Lakshmi pooja, continued with Rangoli and Lantern making competition done by our kiddos.

Both Teachers and Students enjoyed the Diwali celebrations wholeheartedly.

KINDO PLANET

GURUNANAK JAYANTI 27th November 2020

The virtual Guru Nanak Dev's birth anniversary was celebrated in the school. A special assembly was organized in which teachers and kids together recited the mantra of "EK OMKAR". The celebration ended with the students sharing their creative and beautiful drawings of Golden Temple.

REPUBLIC DAY CELEBRATION 25th January 2021

"Freedom in mind, faith in words, pride in our heart, memories in our souls. Let's salute the nation on Republic day."

The teacher started the day by explaining the students about the importance of 26th January and why it is celebrated as Republic Day all over India. On this day all the work places and organizations stay closed because it being a National occasion. Fancy Dress Competition was organized in which the students enacted as different Freedom Fighters and enthusiastically spoke about them.

KINDO PLANET

MICKY MOUSE BIRTHDAY CELEBRATION

“To laugh at yourself is to love yourself. Laughter is timeless, imagination has no age and dreams are forever.”
A very Happy Birthday to world’s famous cartoon Mickey mouse.
Grade Nursery to Prep celebrated Mickey Mouse birthday. Students enjoyed fun games and were zealous while making Mickey mouse craft.

KINDO PLANET

SCIENCE EXPERIMENT

For kids of all ages, the benefits are enormous. Doing science projects helps develop a child's resourcefulness, particularly their skills at goal setting, planning and problem solving. It also nurtures intellectual curiosity, helping children acquire new ways of asking questions and understanding the world. Keeping this in mind we at Kindo Planet focuses on science experiments time to time.

KINDO PLANET

COOKING WITHOUT FIRE

The school conducted Cooking without fire competition. The competition was conducted with a view to create awareness about the nutritional value of food cooked without flame and the necessity and advantages of healthy eating. Through this activity the students learnt spirit of teamwork (Mom & Child), culinary skills, and were appreciated for the hard work put into cooking. The aim of the activity was also to provide a platform to students so that they can showcase their talent and explore new areas of interest.

STUDENT'S CORNER

EVERY CASTE IS A HUMAN BEING AT LAST

The Indian society is divided into various untouchable and higher classes. The roots of the caste system go back to the ancient Vedas dividing people on the basis of Varna or occupation, but every caste has rights to live as they want to. Today our society is well developing but now also people do discrimination in caste. There is no fault of there that they got birth in schedule caste, one of the example of this is a Dalit writer Om Prakash Valmiki. In his autobiography Jhoothan, He writes "I had to sit away from the others in the class, and that too on floor. Sometimes I would have to sit way behind everybody, right near the door...sometimes they would beat me without any reason, When I was in class 4 the head master asked me to sweep the school and play ground. The other children in my school was studying and I was sweeping...". He was made to sweep for next couple of days and this only came to an end when his father seen him sweeping...They were not knowing that a dalit boy will become a big writer...

Like him every dalit child can prove him/her self they just need a chance to prove... and we should give them a chance by ending the discrimination, as every caste is a human being at last.....

THE PURPOSE OF EDUCATION

In modern times, people know the importance of education. Every parent wants to educate his child. Yet, I wonder if we have yet realized what the real purpose of education is. I am afraid to most of us, it helps to earn more money and perhaps more respect in a society which values money and power. But even uneducated people have earned a lot of money and gained respect. I would therefore say that this earning and spending is not the real purpose of education.

To my mind, education should help us to perfect our mind in four basic abilities. First of them is the ability to express oneself orally and in writing. Second quality of an educated mind is clarity of thought. Third, he should be able to make valid judgements in conflicting matters. The last and the most important thing is to learn what is important and unimportant in the world.

KNOW YOUR SUBJECT

There is no end to knowledge in the world of ours. The power of acquiring knowledge and the skill to use the acquired knowledge properly at the hour of need is only accomplished through the learning of mathematics.

Mathematics, as often misunderstood is not a dry subject. It has all the opportunities for recreation and entertainment. It is the art of all arts and science of all sciences. Music is nothing but a mathematically organized sound. In dancing too one has to take care of mathematics in taking steps and responding to the tunes. The secret of the beauty of a garden, an ornament or a flowering pot, lies in the hands of the arrangement made with the help of mathematics. One finds a huge treasure of pleasure after getting success in the solution of a mathematics problem. The study of mathematics helps us to develop all our intellectual powers like power of imagination, memorization, observation, invention, concentration, originality, creativity, logical thinking and systematized reasoning. Every problem in mathematics is an exercise for one's mental health. Mathematics has a key position in learning other subjects to the curriculum. Learning of mathematics opens ways and means for various occupations and vocations. The learning of this subject gives more guarantees for jobs and occupations in comparison to other subjects. The tree of knowledge will help you to perceive that mathematics is the root of every knowledge because there are various professions and courses which are based on mathematics.

FACES IN A CLASS – ROOM

Many kinds of faces are seen in a classroom. For example:

- 1. Attentive faces:** They see, hear and follow everything which the teacher speaks and writes on the blackboard.
- 2. Inattentive faces:** They are absent minded. They neither try to see or hear nor do they try to follow anything.
- 3. Idle faces:** They do nothing and see nothing. 'Nothing' can be said to be their motto. They come to class blank and go out of it, blank.
- 4. Pretending faces:** They smile when the teacher smiles and shake their heads when the teacher explains something as if they understand and follow everything.

STUDENT'S CORNER

- 5. Sleeping faces:** Generally, they are found among the back benchers in the class. They hope to remain unobserved while they sit with their eyes shut.
- 6. Nodding faces:** They feel sleepy and throw their heads down but after a short time lift their heads so that they might not be seen by the teacher.

STUDENT'S CORNER

MEDITATION AND CONCENTRATION

Meditation is a method of leading a happy, harmonious, peaceful and balanced life. The simplest form of meditation is to sit silently and

concentrate on any object or on one's own self. It is useful at least in two ways, it sharpens your mind and grooms your personality and changes your perception of life. It stimulates a person from within and helps in personal and professional life. Meditation clears and purifies the mind.

A person who is tense can't meditate, he has to first learn to relax. Human being is body-mind complex. As long as one's body is aching and the mind is wandering, one can't meditate. Physical, Mental and Breath-control is necessary for meditation and concentration. The next step is to control the senses which could be a major distraction and create hindrances in one's ambition to meditate.

Disciplined life is also necessary for relaxation of mind. Concentration is self-control. Mind is temporary phase of our CHITTA. To control the mind, the CHITTA has to be pure. To purify CHITTA, DHARMA has got an important role to play.

Every work needs concentration. We concentrate on ourselves on unsolved problems like

- Why are we here?
- Why have we come?
- What is the power controlling us?

and so many other problems of this kind. Only the person who has experienced this concentration can know about the pleasure and unbound power lying within us.

YOGA gives us the right direction for self-analysis and unites us to the ultimate source.

खून क्यों सफेद हो गया?

खून क्यों सफेद हो गया?
भेद में अभेद खो गया.
बंट गए शहीद, गीत कट गए,
कलेजे में कटार दड़ गई.
दूध में दरार पड़ गई.

खेतों में बारूदी गंध,
टूट गए नानक के छंद
सतलुज सहम उठी, व्यथित सी बितस्ता है.
वसंत से बहार झड़ गई
दूध में दरार पड़ गई.

जिंदगी

चलो हंसने की कोई, हम वजह ढूंढते हैं,
जिधर ना हो कोई गम, वह जगह ढूंढते हैं।
बहुत उड़ लिए ऊंचे आसमानों में यारों,
चलो जमीं पर ही कहीं, हम सतह ढूंढते हैं!
छूटा संग कितनों का जिंदगी की जंग में,
चलो उनके दिलों की, हम गिराए ढूंढते हैं।
बहुत वक्त गुजरा भटकते हुए अंधेरों में,
चलो अंधेरी रात की हम सुबह ढूंढते हैं।

क्लास मॉनिटर

जो क्लास में बने मॉनिटर
कोरी शान दिखाते हैं।
आता - जाता कुछ भी नहीं
पर हम पर रौब जमाते हैं।
जब क्लास में टीचर नहीं,
तो खुद टीचर बन जाते हैं।

कॉपी पेंसिल लेकर,
बस नाम लिखने लग जाते हैं।
खुद तो हमेशा बातें करें,
हमें चुप करवाते हैं।

अपनी तो बस गलती माफ,
हमें बलि चढ़ाते हैं।
क्लास तो संभाल पाते नहीं,
बस चीखते और चिल्लाते हैं।

शिक्षक

ज्ञान का दीपक वह जलाते हैं,
माता-पिता के बाद वह आते हैं।
माता देती है हमको जीवन
पिता करते हैं हमारी सुरक्षा
लेकिन जो जीवन को सजाते हैं
वही हमारे शिक्षक कहलाते हैं।
शिक्षक बिना ना ज्ञान है,
शिक्षक बिना ना मान है।
हमारा जीवन सफल बनाते हैं
ज्ञान का दीपक जलाते हैं।
जीवन संघर्षों से लड़ना शिक्षक हमें बताते हैं।
सत्य न्याय के पथ पर चलना शिक्षक हमें बताते हैं।
ज्ञान का दीपक को जलाते हैं माता-पिता के बाद आते हैं।

TIME TRAVEL (PART - 1)

Time travel means moving between different points in time. It has been a popular topic for science fiction for decades. Not all scientists believe that time travel is possible. Some even say that an attempt would be fatal to any human who chooses to undertake it. What is time? While most people think of time as a constant, physicist Albert Einstein showed that time is an illusion; it is relative — it can vary for different observers depending on your speed through space. To Einstein, time is the "fourth dimension." Space is described as a three-dimensional arena, which provides a traveller with coordinates — such as length, width and height — showing location. Time provides another coordinate — direction — although conventionally, it only moves forward.

STUDENT'S CORNER

Einstein's theory of special relativity says that time slows down or speeds up depending on how fast you move relative to something else.

THERE ARE SOME ALTERNATE TIME TRAVEL THEORIES:

1. Infinite cylinder
2. Black Hole
3. Cosmic strings

MOST IMPORTANT THING 'A TIME MACHINE'

It is generally understood that traveling forward or back in time would require a device called a time machine. Time machine research involves bending space-time so far that time lines turn back on themselves to form a loop, technically known as a "closed time-like curve".

So is time travel possible?

While time travel does not appear possible — at least, possible in the sense that the humans would survive it — with the physics that we use today, the field is constantly changing. Advances in quantum theories could perhaps provide some understanding of how to overcome time travel paradoxes.

I would like to suggest some movies by which you get to know about this topic and the significant of this topic.

1. Interstellar
2. The terminator
3. Back to the future
4. Doctor strange
5. Edge of tomorrow

MY LIFE IN LOCKDOWN

In early 2020 as the news of a novel virus picked pace, none of us imagined its impact on people and the environment likewise. The beginning of March brought along lockdown and panic about board exams. There was so much uncertainty, yet I was safe, surrounded by friends and family. Being the youngest at home comes with its privileges. My older siblings made sure to never let me get anxious about things. And so it was after I was done with the exams I'd watch movies, play games, talk to my friends in the neighbourhood. However, after a few cases were registered from my locality my parents didn't allow me to go outside. It'd affect me for some days for 2 reasons, firstly I don't like indoors a lot, I like playing outside and staying at home was plain boring. Secondly, the seriousness of COVID won't be affirmed for a long time. Hence when I was told to not go outside I couldn't comprehend why. But after a few days, I got used to staying at home. Things changed after June, for better or worse I didn't know. Board results came out, and now I had to make a choice, a choice that will remain with me forever. Fast forward to October, my family and I moved to another state and I got admission to Schiller School. I made new friends, teachers were very supportive about the time I had lost due to late admission and were always ready to help me with anything. 2021 was very tiring in the beginning. I had academic work, exams preparation, getting used to a new place and terribly missing my friends. Later when everything seemed almost settling well, my father contacted COVID. His condition got severe and we were all panicking. I kept hoping that he would recover soon and so he did. Perhaps it was the most difficult time for me and my family likewise. It has been difficult to hear about the loss of lives, new strains being discovered, more and more diseases appearing. What keeps me going is the belief that everything will get better.

ALTERNATIVES FOR SINGLE USE PLASTIC

Plastics are synthetic materials which are made by polymerization of small organic molecules having higher molecular weight. They are non-biodegradable and harmful to our environment. Plastics are of various kinds such as Thermoplastics, Single use plastics etc. One of them is Single use plastic which is also known as Disposable plastic. As from its name we can understand that Single use plastic is the plastic which can be used only once. After using it, we need to throw it as it is not recyclable.

Every year India generates around 9.46 million tonnes of plastic waste, of which 40% of the plastic waste remains uncollected. 43% of the plastic waste comes from plastic packaging which is an example of Single use plastic. Single use plastic cannot be recycled because of which most of the plastic waste comes from it only. Some of the examples of Single use plastic are food wrappers, plastic packaging, plastic drinking bottles, plastic bottle caps etc.

There are many disadvantages of single use plastic. For example – In India, most of the people are not serious about our environment and they just throw the disposables here and there even after the dustbins are there and if these plastics are eaten by animals such as dogs and cows, then it can damage their digestive system which can lead to their death. Around 1 lakh animals are killed every year by consuming plastic bags. If the single use plastic waste is thrown in oceans then it will harm the aquatic animals and aquatic plants and over 1 million aquatic animals (including mammals, fish, turtles etc.) are killed each year due to plastic waste in the ocean. If these Plastic wastes are burnt, then they will release harmful gases which can damage our respiratory system and if we press them into the soil then they will destroy the fertility of soil which will not allow the growth of plants.

So now, the solution which comes is Alternative for single use plastic. By the help of alternatives, we can reduce the use of single use plastic. Some of the alternatives which we can use are:

(1.) Use of Mud Utensils instead of plastic disposables at parties – In parties, all the things which are used for serving food are made up of plastic disposables either it is plate or drinking glass. It is not possible to use steel utensils in parties because it will take too much time to wash them again and again, so in this situation, the best solution is the use of mud utensils as they will not provide any kind of harm to our environment. Even it will provide more employment to the potters.

(2). Use of cloth bags instead of plastic bags – We can use cloth bags as an alternative for plastic bags as they can be easily affordable and they are eco-friendly.

(3). Use of recyclable plastics in packaging instead of single use plastics. These were some of the ways by which we can reduce the use of single use plastics.

I would like to request everyone not to use single use plastic and use the alternatives as mentioned above in place of it. If we will use these alternatives in our daily life, then only we will come in habit of using these alternatives. The alternatives for single use plastic are easily available and affordable also, so there should be no problem in using them.

THE FRIENDLY GHOST

Once upon a time there lived a boy named Raj. He does not have mother and father. One day he was very hungry. When he was walking he saw a sweet shop. He came and said "I am very hungry" "Please give me some food". Then the shopkeeper said which sweet you want to eat. He said I want to eat Gulab Jamun then the shopkeeper said you need to give me forty rupees for two Gulab Jamun. Then he said but I haven't any money. Then the shopkeeper became angry on him and then the shopkeeper said you haven't any money so why you say that to give you sweet. The shopkeeper then came out from his shop said go away from my shop. He cried because he was very hungry. Then he saw his father's friend. And then he came near his father's friend and said uncle please give me some food.
Then his Father's friend thinking that I have many work to do but my friend's son said to give me some food five minutes ago. Then the uncle said Raj when you help me in my work then I will give you some food. When

STUDENT'S CORNER

Raju heard this he was very happy. And said what can I do for some food? Then the uncle said you are seeing some bags of cement you have to carry all the bags of cement and send this to Anu sahu's house you can see her name her house nameplate Raj said ok uncle. And then Raj said to the uncle please give me some money to book a auto. The uncle surprised and said you need to carry this all the bags ok not to book an auto and send this bags to her house ok now go fast. When Raj is carrying all the bags go out from the uncle's house. After 1 hour Raj came back to the uncle's house. He said uncle I have done the work and now please give me food. Then the uncle said food? But why request to give food when Raj heard this he think that uncle forget that he said to me to give some food when I help him. He said I think that you are forget that you said to me to give some food when I help you. Then the uncle said no I am not say this to you. Raj said but uncle why you are lying? Then the uncle said why you are said me lair my dear. Then raj said because you are not giving me some food. Then the uncle became very angry on him and said get out from my house but Raj is crying in the uncle's house and then the uncle goes in his room and take a stick and said your greedy boy you are so greedy and liar also get out from my house. Raj came out from the house and crying. When he was walking, he doesn't see that he went into a unknown forest. When he sees this he was running for go out from this forest but it was to late. He was crying in the forest. Then he saw a witch standing in front of his. He again starts crying when he saw the witch and said please don't eat me. The witch was very good and said please don't cry I am not bad I am a good witch. Then she is asking why you are crying. Raj said I am very hungry from morning and anyone doesn't give me food. Then the witch is saying a magic and then he sees in front of him there are many types of foods. Then the witch said now eat this food. Then he ate the food and said thankyou and asked to send him out of the forest. Then the witch again said some magic words and he found him out of the forest.

LET NO ONE STEAL YOUR DREAMS

Let no one steal your dreams
Let no one tear apart
The burning of ambition
That fires the drive inside your heart.
 Let no one steal your dreams
 Let no one tell you that you can't
 Let no one hold you back
 Let no one tell you that you won't.
Set your sights and keep them fixed
Set your sights on high
Let no one steal your dreams
Your only limit is the sky.
 Let no one steal your dreams
 Follow your heart
 Follow your soul
 For only when you follow them
 Will you feel truly whole?
Set your sights and keep them fixed
Set your sights on high
Let no one steal your dreams
Your only limit is the sky.

जीवन का सच

जीभ जन्म से होती है और मृत्यु तक रहती है
क्योंकि वह कोमल होती है।
दांत जन्म के बाद आते हैं और मृत्यु से पहले चले जाते हैं
क्योंकि वह कठोर होते हैं।
छोटा बनकर रहोगे तो मिलेगा हर रहम,
बड़ा होने पर तो मां भी गोदी से उतार देती है।
पानी के बिना नदी बेकार है, अतिथि के बिना आंगन बेकार है।
और यदि गुरु ना हो तो जीवन ही बेकार है
इसलिए जीवन में "गुरु " जरूरी है "गरूर" नहीं।

धरती

धरती के आंचल में
सजी है स्वर्ण रश्मियां।
खेतों में आज बिखरा है सोना,
जिसे देखकर महका
कृषक मन का कोना- कोना।

किया धरती ने सोहर श्रृंगार
चमचमाते नयन बार-बार
धानी चुनरी में मोती सजा है,
ढोल तासे और बजे - बजे हैं

दिल की वीणा के झंकृत है तार
झूमे गाए हैं मन बार-बार।
हुई आंखों के सपने साकार
फिर से जागेगी उम्मीदें हजार।

नई उमंग

रोज एक नई सुबह, नया हौसला देती हैं।
इन चह-चाहते, पक्षियों की तरह
हमको भी उड़ान भरने का मौका देती हैं।

जिन्दगी में कुछ, हासिल करने के लिए
मेहनत तो करनी ही होगी।
इन पक्षियों की तरह, उड़ान भरनी होगी।

नया है सफर और नई होगी बात
एक अनपढ़ माँ, जब भी कोई बात करती
ऐसा लगता है जैसे, वह अपने अधूरे सपने
अपने बच्चों में पूरा, करने की आशा करती,

यह कोरोना का दौर, बड़ा मुसीबत वाली
लेकिन तकनीकी में, नई उमंग लाने वाला
शिक्षण को छात्रों से, जोड़े रखने वाला
अद्भुत शिक्षक को, बच्चों से जोड़ने वाला

यही है नई उमंग का नया रूप
यही है नई उमंग का नया रूप

HOW TO COPE WITH EXAMINATION STRESS?

Exams can be a challenging part of a student's life. A little stress is good, as it can serve as a motivational push to work harder for achieving our goals. However, exam stress can give rise to anxiety which may interfere with our performance. It can create self-doubt amongst many and hamper one's social, emotional and behavioural development.

High test anxiety has come to be associated with falling grades, low self-esteem, and high dropout rates as a result of an intense fear of failure. In a study conducted by Sunita Manchanda, consultant Paediatrician, Max Hospital, Gurgaon, Swati Bhave, Executive Director of Association of Adolescent and Child Care in India (AACCI), Mumbai and Amita Puri, Amity University, Haryana, it was found that twenty per cent of test anxious students drop out before graduating due to the fear of failing an examination.

The consequences of exam stress are manifold. Not only students but parents also fall prey to this. Therefore, it becomes extremely important to take care of oneself at such a crucial time. Here are some major causes which lead to exam stress:

Parental expectations

"Don't judge a fish by its ability to climb a tree", says psychiatrist Dr. Soumiya Mudgal, Max hospital, Gurgaon. According to the doctor, there is a mismatch between what parents expect and the child's ability to perform well. Parents often set unrealistic benchmarks for their children based on their past academic experience or hold comparison with siblings or kins.

Competition with peer groups

Students often feel stressed when preparing for examinations due to pressure from school and comparison with peer group and good performers. This can lead to unhealthy competition and insecurity. Self-induced pressure comes from the kind of lifestyle that students desire to create for themselves.

Financial status

Finances can have a bearing on the students as they create insecurity and further pressurize them to produce the desired result.

What students can do to beat stress?

- Don't prepare until the last minute.
- Start your preparation on time
- Set realistic goals.
- Take short study breaks
- Engage in some physical activity 3-4 times a week.
- Listen to soft soothing music
- Consult a professional counsellor in case you're facing any difficulty.

As a parent, these are the signs you should keep a lookout for in your children this exam season:

- Either loss of appetite or overeating
- Difficulty in sleeping
- Feeling perplexed or irritable

FROM THE TEACHER'S PEN

-Feeling of self-doubt: If the child is constantly criticizing his/himself or is always anticipating bad results. Do not overlook if your child's behavior is unusual.

What parent can do to beat stress of their wards?

-Don't shut them out. Understand their needs and inhibitions and reciprocate accordingly.

-Encourage good habits and minimize expectations

-Talk to your child and build on their interests. Don't push them into something just because you feel it's good for them.

-Ensure they're eating a balanced meal and getting enough sleep.

-Don't judge them on their failure instead use it to motivate them. Remind them failure is a part of life.

Conclusion

Remember life is more than just scholastic success, so don't be so hard on yourself, laugh and learn. Balance your drive for performance in exams with doing things that are personally meaningful to you. Think about your progress in life as a whole and not just life, use positive affirmations to stay motivated come what may and embrace the upcoming exam season with utmost calm.

IMPORTANCE OF POSITIVE THINKING

Positive Thinking is a mental and emotional attitude that focuses on the brighter side of the life and produces positive results. A Positive Person participates or competes with a healthy mind set and is always successful, happy and smiling.

Positive emotions like joy, contentment and love remove the obstacles in our life and we are likely to see more possibilities in all the challenging situations.

The biggest benefit of positive emotions is that we can find the actual abilities of the person and develop these for use in later life also. It enhances our daily behaviour like how we feel, talk and react. It a very effective feeling and can help a person to live life in comfort and it is 99% effective.

People like staying with positive people. They are more helpful and trustworthy. So in my opinion we should use the positive thinking as a weapon to remove all the hurdles coming in our way to complete our task.

FUN WITH ENGLISH

We sometimes take English for granted. But if we examine its paradox, we find that quicksand takes you down slowly, boxing rings are square and a guinea pig is neither from Guinea nor a pig.
There is no egg in the eggplant, no ham in a hamburger, and no pine in a pineapple.
English muffins were not invented in England and French-fries were not invented in France.
If the plural of tooth is teeth shouldn't the plural of phone –booth be phone – beeth?
If a vegetarian eats vegetable, what does a humanitarian eat?
Why do people recite at a play, yet play at a recital?
And park on driveways and drive on parkways?
You have to marvel at the lunacy of a language where a house can burn up as it burns down.
And in which you fill in a form by filling it out.
A bell is only heard when it goes.
People, not computers, invented English and it reflects the creativity of the human race (Which of course isn't a race at all).
This is why when the stars are out, they are visible but when the lights are out, they are invisible.
Why isn't eleven pronounced as only-one?
If people from Poland are called Poles, shouldn't people from Holland be called Holes?
And why is it that when I wind up my watch, it starts but when I wind up this poem, it ends?

GURU VS TEACHER

Difference between a Guru and a Teacher!!!!!!

1. A teacher takes responsibility for your growth.
A Guru makes you responsible for your growth.

FROM THE TEACHER'S PEN

2. A teacher gives you things you do not have and require.
A Guru takes away things you have and do not require.
3. A teacher answers your questions.
A Guru questions your answers.
4. A teacher requires obedience and discipline from the pupil.
A Guru requires trust and humility from the pupil.
5. A teacher clothes you and prepares you for the outer journey.
A Guru strips you naked and prepares you for the inner journey.
6. A teacher is a guide on the path.
A Guru is a pointer to the way.
7. A teacher sends you on the road to success.
A Guru sends you on the road to freedom.
8. A teacher explains the world and its nature to you.
A Guru explains yourself and your nature to you.
9. A teacher gives you knowledge and boosts your ego.
A Guru takes away your knowledge and punctures your ego.
10. A teacher instructs you.
A Guru constructs you.
11. A teacher sharpens your mind.
A Guru opens your mind.
12. A teacher reaches your mind.
A Guru touches your spirit.
13. A teacher instructs you on how to solve problems.
A Guru shows you how to resolve issues.
14. A teacher is a systematic thinker.
A Guru is a lateral thinker.
15. One can always find a teacher.
But a Guru has to find and accept you.
16. A teacher leads you by the hand.
A Guru leads you by example.

FROM THE TEACHER'S PEN

17. When a teacher finishes with you, you celebrate.
When a Guru finishes with you, life celebrates.

Let us honor both, the teachers and the Guru in our lives...

DISCOVER EVERYTHING YOU NEED TO KNOW (GOOD AND BAD) ABOUT ONLINE EDUCATION

One of the most oft-used terms after the pandemic is the term “new normal.” The new normal in education is the increased use of online learning tools. The COVID-19 pandemic has triggered new ways of learning. All around the world, educational institutions are looking toward online learning platforms to continue with the process of educating students. The new normal now is a transformed concept of education with online learning at the core of this transformation. Today, digital learning has emerged as a necessary resource for students and schools all over the world. For many educational institutes, this is an entirely new way of education that they have had to adopt. Online learning is now applicable not just to learn academics but it also extends to learning extracurricular activities for students as well. In recent months, the demand for online learning has risen significantly, and it will continue doing so in the future.

As with most teaching methods, online learning also has its own set of positives and negatives. Decoding and understanding these positives and negatives will help institutes in creating strategies for more efficiently delivering the lessons, ensuring an uninterrupted learning journey for students.

TWO DAYS

There are two days in every week about which we should not worry, two days which should be kept free from fear and apprehension. One of these days is Yesterday with all its mistakes, its faults and blunders, its aches and pains. Yesterday has passed forever beyond our control. All the money in the world cannot bring back yesterday. We cannot undo a single act we performed, we cannot erase a single word we said, yesterday is gone forever.

The other day we should not worry about is Tomorrow, with all its possible adversities, its burden, its large promises and its poor performance. Tomorrow is beyond our immediate control. Tomorrow's sun will rise with a splendour or behind a mass of clouds, but it will rise until it does, we have no stake in tomorrow. Any person can fight the battle in just one day, it is when you and I add the burdens of those two artful utilities yesterday and tomorrow.

FROM THE TEACHER'S PEN

It is not the experience of today that drives a person mad, it is the remorse or bitterness of something, which happened yesterday, and the fear of what tomorrow may bring. Let us, therefore live best one day at a time and that is Today.

"Trust no future, however pleasant!
Let the dead past bury its dead! Act
- act in the living present!
Heart within and God Overhead."

Lives on MARS

Four and a half billion years ago, a rock was formed on Mars by some volcanic process. Half a billion years later, this rock was broken into smaller pieces by a meteorite impact nearby. Some ground water also entered the rock. 16 million years ago, an asteroid hit Mars somewhere near where this rock was. The impact threw pieces of the rock into space. One 2-kilogram piece of rock orbited the Sun until 13,000 years ago, when it came close to the Earth. This piece crashed onto an Antarctic glacier. Over 13,000 years, it reached the Allan Hills region of Antarctica, buried inside the ice. In 1984, this meteorite was discovered and named ALH84001. A large number of people worked out this history of the meteorite that we just narrated.

This year, a team led by David McKay of the American space organization NASA, suggested that there seemed that there seemed to be signs that life may have existed on this rock in some bygone era: The meteorite has some organic molecules, of the same family as naphthalene (which is used in mothballs). When bacteria decay, such compounds are produced. Many meteorites do have such compounds. The meteorite has iron oxide (magnetite) of the sort which some bacteria on Earth secrete. It has iron sulphide, which is produced by some anaerobic bacteria (those that don't use oxygen). The meteorite has some balls of carbonate material, which may be formed by some material, which may be formed by some living thing. On the other hand, almost all earth bacteria are 100 times larger than this material. The meteorite may contain very small fossils (less than hundred millionth of a millimeter). Nanobacteria are this size.

In 1961, another meteorite was found to have signs of life. But soon these were discovered to be grains of pollen and particles of furnace ash. The signs of life turned out to be from Earth itself. This could be the case for the Antarctic meteorite too. What makes scientist more hopeful is that some of these items mentioned are within cracks, and the cracks could only have been formed before the meteorite came to rest in Antarctica. So maybe, just maybe, the signs of bacterial life that we see are from when the rock was on Mars. In 1976, the Viking spacecraft failed to find any such bacteria on Mars. But maybe they landed in the lifeless part of Mars. Or maybe bacteria were present on Mars millions of years ago, but aren't there now.

हिंदी का महत्व

एक भाषा के रूप में हिंदी न सिर्फ भारत की पहचान है बल्कि यह हमारे जीवन मूल्यों, संस्कृति एवं संस्कारों की सच्ची संवाहक, संप्रेषक और परिचायक भी है। बहुत सरल, सहज और सुगम भाषा होने के साथ हिंदी विश्व की संभवतः सबसे वैज्ञानिक भाषा है जिसे दुनिया भर में समझने, बोलने और चाहने वाले लोग बहुत बड़ी संख्या में मौजूद हैं। यह विश्व में तीसरी सबसे ज्यादा बोली जाने वाली भाषा है जो हमारे पारम्परिक ज्ञान, प्राचीन सभ्यता और आधुनिक प्रगति के बीच एक सेतु भी है। हिंदी भारत संघ की राजभाषा होने के साथ ही ग्यारह राज्यों और तीन संघ शासित क्षेत्रों की भी प्रमुख राजभाषा है। संविधान की आठवीं अनुसूची में शामिल अन्य इक्कीस भाषाओं के साथ हिंदी का एक विशेष स्थान है। हिंदी भाषा इतनी सरल है कि जो शब्द का उच्चारण होता है वही शब्द लिखित रूप में होता है। जबकि अन्य भाषाओं में शब्द का उच्चारण और लेख विभिन्न होते हैं।

“हिन्दी अनुवाद की नहीं बल्कि संवाद की भाषा है। किसी भी भाषा की तरह हिन्दी भी मौलिक सोच की भाषा है। भारत सदैव से विश्व गुरु माना गया है। भारत में वैदिक गुरुकुल और शिक्षा को ग्रहण करने के लिए देश-विदेश से शिक्षार्थी आया करते थे यहां के गुरुकुल की शिक्षा दुर्लभ थी। नालंदा विश्वविद्यालय इसका एक प्रमुख उदाहरण है।

- भारत ने ही विश्व को वेद और योग तथा विज्ञान की शिक्षा दी।
- भारतीय वेद पुराणों में निहित विज्ञानों को आज के वैज्ञानिक खोज कर रहे हैं।
- जबकि उन सभी को भारतीय वेद पुराण में लिखा जा चुका था।

स्वास्थ्य का ख्याल कैसे रखे

आपको योग क्यों करना चाहिए, ये हैं 5 बड़े कारण: -

योग कर आप तनाव को कम करने से लेकर ब्लड प्रेशर कंट्रोल, कॉलस्ट्रॉल कंट्रोल तथा वजन घटाने जैसे अनेक लाभ प्राप्त कर सकते हैं।

योग बनाता है शरीर को सुन्दर और चुस्त-दुरुस्त।
योग मन को शांत और रक्त संचार को ठीक करता है।

योग महज अपने शरीर को तोड़ने-मरोड़ने का दूसरा नाम नहीं है। सदियों पुराने योग के अदभुत फायदों का लोहा न सिर्फ भारत बल्कि पूरे विश्व के लोगों ने माना है। योग के जरिए मस्तिष्क और शरीर का मिलन होता है।

तनाव कम करने से लेकर ब्लड प्रेशर कंट्रोल, कॉलस्ट्रॉल कंट्रोल, वजन घटाने और कई गंभीर बीमारियों को दूर करने की क्षमता होती है योग में। चलिए इस लेख के माध्यम से हम आपको बताते हैं योगाभ्यास के कमाल के फायदों के बारे में।

कुछ लोग सोचते हैं कि योग अपने शरीर को तोड़ने-मरोड़ने का दूसरा नाम है, लेकिन अनका सोचना गलत हैं। योग के माध्यम से मस्तिष्क और शरीर का संगम होता है। योग के माध्यम से उच्च रक्तचाप का सामान्य होता है, तनाव कम होता है, मोटापे और कोलेस्ट्रॉल जैसी समस्याओं से निजात मिलती है, और योग के इन विस्तृत सकारात्मक प्रभावों के कारण ही योग व्यायाम का वैश्विक स्वरूप बन चुका है। नियमित योग करने से वजन तो कम होता है, साथ ही इससे शरीर सुन्दर और चुस्त-दुरुस्त बनता है।

FROM THE TEACHER'S PEN

योग से मन को अदभुत शांति प्राप्त होती है। योगासनों का सबसे बड़ा गुण है कि वे सहज साध्य और सर्वसुलभ होते हैं। योगासन एक ऐसी वैज्ञानिक एवं प्रामाणिक व्यायाम पद्धति है जिसमें न तो कुछ विशेष खर्च होता है और न इतनी साधन-सामग्री की आवश्यकता होती है। अमीर-गरीब, बूढ़े-जवान, सबल-निर्बल सभी स्त्री-पुरुष कोई भी योग कर इससे लाभान्वित हो सकता है। जानें योग के ऐसे ही कुछ अन्य फायदे

गर्भावस्था में योग के लाभ

गर्भावस्था में यदि आप नियमित रूप से योग करें तो आप स्वस्थ बनी रह सकती हैं। इस दौरान योग करने से आप में मजबूती आयेगी। नियमित योग से थकान और तनाव दूर होता है और मसल्स भी फ्लेक्सिबल बनती हैं। साछ ही रक्त संचार, पाचन, श्वसन और स्नायु तन्त्र पर नियन्त्रण जैसे आन्तरिक लाभ भी होते हैं। प्रेगनेंसी में योग करने से नींद न आना, पीठ का दर्द, पैरों में खिचाव और अपच जैसी गर्भावस्था में होने वाली समस्याओं से भी मुक्ति मिलती है। लेकिन योगासनों का चुनाव करने से पहले एक बार अपने चिकित्सक से सलाह जरूर लें, कि कौन से महिने में आप कौन सा योग कर सकती हैं।

मन को करे शांत

योग आसनों और नियमित ध्यान से मस्तिष्क शांत होता है और शरीर संतुलित होता है। योग करने से मस्तिष्क के दोनों भाग काम करते हैं जिससे आन्तरिक संचार अच्छा होता है। नियमित योग करने से आप सोचने की क्षमता और सृजनात्मकता वाले हिस्सों में सन्तुलन स्थापित होता है।

रक्त संचार को करे ठीक

विभिन्न योग मुद्राओं और श्वास क्रियाओं करने से शरीर का रक्त प्रवाह बेहतर होता है। बेहतर रक्त संचार होने से शरीर में ऑक्सीजन और पोषक तत्वों को संवहन भी अच्छा होता है। जिससे त्वचा और आन्तरिक अंग स्वस्थ बनते हैं। इसे भी पढ़ें: इन 5 योग से कंधे और गर्दन के दर्द से हमेशा के लिए पाएं छुटकारा

हृदय को बनाए स्वस्थ

ऐसे विभिन्न आसन, जिनमें आप योग से बेहतर रक्त संचार होता है जिससे रक्त का ठहराव नहीं होता और हृदय स्वस्थ होता है। योगा करने से दिल स्वस्थ रहता है। आसन जिनमें थोड़े समय के लिये सांस रोक कर रखी जाती है, वे आपके हृदय और धमनियों को स्वस्थ रखते हैं। ऐसे आसन आपके दिल को फिट रखते हैं।

पीड़ा करे दूर और बनाए पतला

योग से शरीर में लचीचापन आता है और शरीर की शक्ति भी बढ़ती है। इससे पीठ का दर्द और जोड़ों का दर्द जैसी समस्यायें दूर होती हैं। इसके साथ ही योग आपकी संरचना को सुधारता है जिससे खराब मुद्रा के कारण होने वाले दर्द से बचा जा सकता है। नियमित योग करने से आप मोटापे को भी दूर भगा सकते हैं।

तनाव को भगाए दूर

योग से तनाव कम होता है। नियमित योग कर आप धीरे-धीरे तनाव खत्म होते हुए महसूस कर सकते हैं। यही नहीं नियमित योग कर रोजमर्रा में होने वाली तमाम स्वास्थ्य समस्याओं और तनाव आदि से बचा जा सकता है। योग आपको स्वस्थ और सुंदर बनाता है। सभी को अच्छे स्वास्थ्य के लिए नियमित योग करना चाहिए

गुरु महिमा

गुरु गोविन्द दोऊ खड़े, काके लागू पाय ।

बलिहारी गुरु आपने गोविन्द दियो बताय ।

गुरु उस दीपक की भाँति है जो खुद जलकर दूसरों को प्रकाश देता है। कहने का तात्पर्य यह है कि गुरु रूपी दीपक अंधकार रूपी अज्ञान को अपने ज्ञान रूपी प्रकाश से नष्ट कर देता है। जिस प्रकार से किसी जलते दीपक के पास पतंगा घूमता रहता है और वह जलकर नष्ट हो जाता है उसी प्रकार प्रकाश रूपी ज्ञान के पास रहने पर अंधकार रूपी अज्ञान नष्ट हो जाता है।

FROM THE TEACHER'S PEN

इस आकाश रूपी संसार में गुरु सूर्य हैं और हम सब तारे हैं । हम सब गुरु रूपी ज्ञान से ही झिलमिला रहे हैं, प्रसन्नचित मन से उन्हें धन्यवाद दे रहे हैं। हमारे गुरु हमारे अंदर ज्ञान का ऐसा प्रकाश भर रहे हैं जो ज्ञान कभी कम नहीं होगा बल्कि उसे जितना बाँटेंगे उतना ही बढ़ेगा। गुरु तो ज्ञान का एक दिव्य प्रकाश हैं जो दूर से ही झलकने लगता है और अंधकार को मिटाकर संसार में प्रकाश विद्यमान करता है। कहते हैं गुरु के अंदर सारे गुण समाहित हैं बल्कि सारा संसार ही गुरु में समाया है। कहा भी गया है –

सब धरती कागद करूँ लेखनी सब बनराय।

सात समुद्र की मसि करूँ गुरु गुण लिख न जाय।

कबीरदास जी कहते हैं कि यदि मैं सारी धरती को कागज बना लूँ और इस धरा पर जितने भी वृक्ष हैं उनकी कलम बना लूँ, सात समुद्र अर्थात् पृथ्वी पर जितने भी समुद्र हैं उनको अगर सयाही बना लूँ किंतु फिर भी मैं गुरु के गुणों को नहीं लिख सकता। क्योंकि जब उनके अंदर सारा विश्व समाहित है तो भव सागर में रहने वाला मैं तुच्छ जीव उनका वर्णन कैसे कर सकता हूँ? गुरु तो सर्वव्यापी हैं। इस संसार में गुरु की तुलना तीनों देवों

(ब्रह्मा, विष्णु और महेश) से की गई है क्योंकि गुरु संसार में सर्वत्र पूजनीय है।।

गुरुर्ब्रह्मा गुरुर्विष्णु गुरुर्देवो महेश्वरः।

गुरुः साक्षात् परम् ब्रह्म तस्मै श्री गुरवे नमः।

ध्यान मूलम् गुरु मूर्ति ,:पूजा मूलम् गुरु पदम्।

मंत्र मूलम् गुरुः वाक्यम् मोक्ष मूलम् गुरु कृपां।

दया यादव

छात्र जीवन में लाइब्रेरी का महत्व (Importance of Library in Student Life)

लाइब्रेरी किसे कहते हैं? What is library?

लाइब्रेरी को पुस्तकालय भी कहते हैं। यह बहुत महत्वपूर्ण संसाधन है। ऐसी बहुत सी पुस्तकें होती हैं जो बहुत और दुर्लभ होती हैं। हर व्यक्ति उसे नहीं खरीद सकता। इस तरह की पुस्तकें हमें लाइब्रेरी में आसानी से मिल जाती है। लाइब्रेरी में हजारों लाखों की संख्या में विभिन्न प्रकार की किताबें होती हैं। पढ़ने वालों के लिए यह किसी स्वर्ग से कम नहीं होता है।

FROM THE TEACHER'S PEN

लाइब्रेरी का बहुत बड़ा फायदा है कि किसी भी विषय पर सैकड़ों किताबें मिल जाती हैं जिससे स्टूडेंट्स अच्छे नोट्स बनाकर अच्छे नंबर पा सकते हैं। आजकल लाइब्रेरी का महत्व बहुत अधिक बढ़ गया है। डिजिटल क्रांति आने के बाद ऑनलाइन लाइब्रेरी की संख्या तेजी से बढ़ रही है।

लाइब्रेरी का उद्देश्य Purpose of Libraries

लाइब्रेरी का उद्देश्य स्टूडेंट्स को विभिन्न प्रकार की किताबें उपलब्ध कराना होता है जिससे वह अच्छे से पढ़ाई कर सकें। लाइब्रेरी मुफ्त में किताबें उपलब्ध कराती हैं जिससे स्टूडेंट्स का बहुत फायदा होता है।

लाइब्रेरी के महत्व को प्राचीन काल में ही समझ लिया गया था। इस तरह विश्व में अनेक प्राचीन लाइब्रेरी है। यदि छात्र-छात्राओं के पास पुस्तकें ही नहीं होंगी तो वह पढ़ाई कैसे करेंगे। इसकी आवश्यकता को देख कर ही लाइब्रेरी पुस्तकालय की स्थापना की गई थी।

लाइब्रेरी से अनेक फायदे हैं। कुछ प्रमुख फायदे इस प्रकार हैं-

आसानी से किताबें उपलब्ध होना

लाइब्रेरी का बड़ा फायदा है कि किसी भी विषय की किताब को आप आसानी से पा सकते हैं। सभी स्कूल कॉलेजों में लाइब्रेरी होती है जहां पर एक बार में दो या तीन किताबें दी जाती हैं। किताबें पढ़कर हम जमा करते हैं और दूसरी किताब उसके स्थान पर ले सकते हैं।

इस तरह कोई भी व्यक्ति सैकड़ों किताबें पढ़ सकता है। पुस्तकालय में किसी भी किताब को कई घंटों तक पढ़ सकते हैं। किसी प्रकार की रोक टोक नहीं होती है।

दुर्लभ किताबों को पढ़ने का अवसर

लाइब्रेरी में हर प्रकार की नई पुरानी के साथ दुर्लभ किताबें उपलब्ध होती हैं। ऐसी बहुत ही किताबें हैं, जो बाजार में आसानी से नहीं मिलती हैं। उन्हें खरीदने के लिए बहुत भटकना पड़ता है। इस तरह की पुस्तकें भी लाइब्रेरी में आसानी से मिल जाती हैं।

गरीब छात्र छात्राओं को लाभ

देश में ऐसे बहुत से स्टूडेंट हैं जिनके पास किताब खरीदने के लिए पर्याप्त पैसा नहीं होता। आजकल तो किताबें भी बहुत महंगी मिलती हैं। ऐसी स्थिति में लाइब्रेरी वरदान साबित होती है।

वहां पर कोई भी स्टूडेंट किसी किताब को पढ़ सकता है और उसे इशू करा घर भी ला सकता है और पढ़ाई जारी रख सकता है। इसलिए लाइब्रेरी गरीब छात्रों के लिए किसी वरदान से कम नहीं है।

अच्छे नोट्स बनाने में सहायक

लाइब्रेरी में जाकर विभिन्न किताबों से पढ़कर स्टूडेंट्स अच्छे नोट्स बना सकते हैं। और परीक्षा में अच्छे नंबरों से पास कर अपना भविष्य उज्ज्वल कर सकते हैं। पढ़ाई के लिए अच्छी पुस्तकों का होना बहुत आवश्यक है।

एक विषय की अनेक किताबें मिलती हैं

लाइब्रेरी में एक ही विषय की बहुत सी किताबें होती हैं जिसको पढ़ कर छात्र अच्छा स्टडी मैटेरियल तैयार करते हैं। वे अच्छे नोट्स भी बना पाते हैं। यदि एक विषय की एक ही किताब होगी तो उससे अच्छा स्टडी मैटेरियल नहीं बन पाएगा। बहुत सी किताबों से पढ़ने में ज्ञान की वृद्धि होती है और परीक्षा में अच्छे नंबर आते हैं।

शांत वातावरण

लाइब्रेरी ऐसा स्थान होता है जहां पर शांति होती है। लोग सिर्फ पढ़ते हैं। इसलिए यदि आपको शांति चाहिए और पढ़ना चाहते हैं तो लाइब्रेरी सबसे अच्छी जगह है।

बहुत से लोगों के घरों में लोगों की संख्या ज्यादा होती है। पारिवारिक सदस्य हमेशा बात करते रहते हैं। ऐसे लोगों को पढ़ने का मौका कम मिल पाता है। इस तरह के लोग लाइब्रेरी में आकर पढ़ सकते हैं।

FROM THE TEACHER'S PEN

FOCUS ON THE JOURNEY

“Focus on the journey not the destination Joy is found not in finishing an activity but in doing it”

Learning is the process of constantly updating in an ever changing world. The first 5 year experience the most rapid change of life and are critical in a child's development. Children develop rapidly during this time physically intellectually, emotionally and socially. The period from the age of three years until the beginning of class in a main stream school is called foundation stage. All children should be given the very best possible start to their education.

Teaching at Schiller is a two-way process where the teacher first tries to understand each child so as to provide them with easiest and adaptable techniques and a conducive atmosphere for them to learn what is delivered. We try to provide the best possible environment for healthy development of children by providing a carefully planned and nurtured environment in which the child grows and learns in a natural way.

I also take this opportunity to thank parents of our students for having their faith and confidence in us.

Ms. Manju Swani
(Coordinator)

नयी सोच नयी पहल

(Think, Explore & Perform)

An initiative to provide opportunity, platform and wings to their talents.

Ms. Preeti Gupta

**Director, Motivator, Educator, Visioner, Achiever
& Parenting Coach.... Moreover a Learner
(Schiller Inst. Sr. Sec. School)**

I have always wondered and became spell bound to see the talent in the students. At the primary age of a student it becomes imperative to allow and to provide them opportunities and platform for exploration in every aspect and field. They must be given a space to come out with their thoughts and feel comfortable and confident to express their thought and desires.

A small initiative taken by a child if inhibited at an early stage of life makes him/her devoid of confidence for its entire life.

So keeping this in mind at Schiller we have initiated the innovative and creative ideas from the students. There is a hidden pool of ideas in a child which needs to come out. 'Nai Soch Nai Pehal' is an initiative where new ideas, innovation, creativity, technology etc. is involved.

It will help the students to develop in them the capacity, energy, motivation and confidence to create a promising future not only for themselves but also for their community and Nation as a whole.

Making the students realise their talent will help them to understand themselves and their choices.

To sum up 'Nai Soch nai Pehal' is a step to excel all students because "Excellence is to do a common thing in an uncommon way".

Sarika Chauhan Class – V

I would like to thanks to my class teacher maam to give the opportunity to show my skills here in this platform. I started with working with water colors on paper for pleasure, and eventually developed into paintings of places I've been to or abstract paintings, and drawing with pencil and charcoal.

To be clear, I do not know how to draw. As in, I don't have the technical knowledge or the skill. I just draw by feeling and experimenting and usually get my proportions all wrong. But I actually really enjoy drawing.

The reason being, drawing allows me to look at things around with a perspective that I otherwise do not apply.

In order to create an illustration on paper, I need to observe the world around me from a 2D perspective.

I figured I need to look at things as if they were flat, at the same time, capturing a sense of fullness and life within the image that I must activate in my drawings. I don't know if that's how trained artists draw. Mostly probably not, but that's been my approach in developing my own technique.

NAYI SOCH NAYI PEHAL

ART IS A FORM OF COMMUNICATION

Art, in its broadest sense, is a form of communication. It means whatever the artist intends it to mean, and this meaning is shaped by the materials, techniques, and forms it makes use of, as well as the ideas and feelings it creates in its viewers. Art is an act of expressing feeling, thoughts, and observations.

In this lockdown I tried to make my boring regular day into enjoyable day by making drawings and by this I become better artist a consume my time also.

HOW I SPENT MY LOCKDOWN CREATIVELY

Hello everyone. My name is Vidushi Hooda. I am in 11th grade. Firstly, I would like to thank my class teacher, Ms. Yasha Gupta, for briefing me and giving me an opportunity to showcase my talent in front of you all. In this article, I will be sharing how I spent my lockdown creatively and made the most of it.

As we all know, 22nd March 2019, in view of Worldwide pandemic “COVID-19”, lockdown was imposed all over the country. As we had been all isolated in our houses, it was important for all of us to strengthen our mental and physical health. Lockdown could have been used in a variety of constructive forms when all outdoor activities were inaccessible.

The aim was to abide by the rules of lockdown and yet utilize the time we had. That may have been by the development of new behaviours, the acquisition of knowledge on different subjects, the enhancement of our talents and the acquisition of more, and etc.

Further I will share how I made the best of this time period.

- I have always had a soft heart for animals. Since April of last year, I've been feeding and spending time with all of my furry friends on the street. I fed them every day and provided them with all the medical care they needed when they needed it. I often brought home abandoned puppies and, with the help of PFA, I helped them find a forever home. I also ended up adopting one of those puppies and she has been living with us happily ever since.
 - I improved my writing, photography, and editing skills. I began to write more often and on a variety of subjects, which enabled me to develop knowledge and refine my writing skills. I am currently looking for photography internships, to gain exposure.
 - I learned how to design flyers and posters. In October, I deigned a number of posters for the NATIONAL BIOTECH SUMMIT 2020. I even designed advertisement posters for a few coaching centres in my neighbourhood.
 - I started working from home as a content writer to obtain exposure and experience. I was a part of 3 projects and accomplished each one of them successfully.
 - My love for animals grew, and I became a volunteer at Pfa. I am now volunteering at PFA. I e-mailed Maneka Gandhi Ma'am, expressing my passion for animals and my desire to volunteer at their dog shelter, and received an enthusiastic and generous response. I have also interacted with her before.
 - I also joined basketball classes while the lockdown was relaxed, in order to stay fit and healthy. After the lockdown was imposed again, I added an indoor healthy workout to my routine.
- Vast majority my initiatives generated fruitful results. I inherited certain valuable characteristics such as time management and listening abilities. I have gathered a lot of exposure and experience. I feel happy to have made a contribution to society.

EMBRACING THE NEW NORMAL

When the news is all doom and gloom, as it has been since the outbreak of COVID-19 it's hard for most of us to adapt to this new normal and keep our spirits high and positive, but I see this all differently. The pandemic not only made me more creative But also gave me abundant happy memories with my family which I can cherish for life. During all the gloomy days my parents and the teachers motivated, supported and taught me the importance of being positive and believing in God. So I hammered away all the negativity around and devoted my energy into things I earlier did not had time for. I learnt calligraphy, paper craft, card making, helped my mother in cooking healthy and delicious recipes, read about Jain Darshan and tried to follow verity of life and precepts taught by Lord Mahavira. I also did physical exercises and yoga to stay fit and keep my soul calm. Took Online Abacus and chess classes and created a YouTube channel posting videos on various interesting subjects. Sat with family, spent a lot of quality time reminiscing the past which we could barely do earlier due to our busy schedules. Overall, I enjoyed acquiring new skills and having fun time with family.

Lastly, I wish to convey a message to all folks that when darkness comes, the temptation to quit is huge but don't worry with God nothing is impossible. He has more ropes and ladders and tunnels out of pits that you can conceive. So just wait and Pray without ceasing. Thank you.

ART – THE EXPRESSION OF HUMAN CREATIVE SKILL

The expression or application of human creative skill and imagination, typically in a visual form such as painting or sculpture, producing works to be appreciated primarily for their beauty or emotional power is called art.

My hobby is drawing. I love to draw with different colours. Drawing gives me happiness. My most favourite time is when I come back from school because at that time I get free time to paint and now days I utilize my time by drawing.

LOCKDOWN

“Lockdown!”, at first I thought how amazing it will be, having full day leaves from school, playing games, enjoying food, “Netflix and chill”. Yes, I got all of these but, at what cost? those fun park times no longer exists, those meet up, those unexpected get togethers... nothing was as it was before. What? My Personal Routine? Let’s not talk about that.

Basically, This Pandemic took our lives centuries-centuries back. People lost their occupations, Many Businesses closed due lack of workers, supply and etc. Daily wage and Frontline workers were the most vulnerable ones. CORONA has hit us too hard! But Stop! Tis’ not time to think about what all has happened or will happen, instead let’s utilize our time, buildup ourselves and be Productive!

Now, that’s what I chose, Yes me! Sunny Vohra of Grade 11, in the next few minutes will be sharing how I spent my time during this lockdown

- I Started to focus more on my Studio, named SVES. I am by profession a Video/Graphic Editor, I started to advertise my studio and my work online for more and more engagement, and hence I successfully completed 500+ orders. Link to my Studio: <https://cutt.ly/Gb5tSq5>
 - Learning a Skill is like getting a Diamond, so instead wasting Half of my time on Social Media, I got into few courses, like UI/UX, JavaScript, Python and also 3D Designing.
 - Being a student, you can’t really manage your personal expenses, either we ask money from our parents or we do some work. So, I did some internships with orgs like Vibe India & Newton E learning House etc.
 - I wanted to connect more with the world virtually, so I started sharing my work over social media platforms, and met a lot of people living across the country working hard.
 - At my personal level, I cleared my basics in science and math, researched a lot my career and what will I do next, so it can be said that I have a blueprint of what to do in future, which will surely help me.
- So, Overall, I Tried my best to not loose my productivity this lockdown, even after attending online classes and not physically going, we all managed to stay healthy and fit, I am not losing this spirit and will continue doing my work in future too!!

MY FAVORITE SPORT – BADMINTON

Paragraph

Hello everyone. My name is Aditya Gupta. I am in 11th grade. Firstly, I would like to thank you my class teacher Mr. Joseph Alexander for encouraging and giving me an opportunity to show my talent in front of you all. In this article I will be sharing how I spend my lockdown during this pandemic.

As we all know, 22nd March, 2020, in view of World wide pandemic "COVID-19" lockdown was imposed all over the world. During this hard situation many people lost their job and become unemployed. Childrens were not allowed to play outside. Most of the ~~competitive~~ competitive exams and boards got postponed.

- Further I will share how I made the best of this time period.

⇒ My favourite sports is Badminton. I play this game since I was in 5th class with my friends. Playing Badminton is like a passion for me. In this past years I have joined ~~academy~~ academy and won some medals at interschools and tournaments. But now the situation is very tough

now. Most of the people are quarantine and this made youngsters like me lazy and bored. But now I decided to continue my fitness to next level. I started waking up early in the morning and started exercising like crunches, pushups, calraposes, vibration gymnastics etc to increase my stamina. Every sports requires stamina. And after that morning exercise I practise some badminton skills by watching youtube tutorials. I loved to be busy playing some sports & specially badminton sometimes cricket. I managed my studies also apart from it. Getting involve in some sports increase your focus, and gives a healthy mind. For my healthy brain I also started doing some yoga and meditation at least half an hour to increase my concentration. To fresh my mind I also listen musics.

Most majority my initiatives generated fruitful results. I add certain valuable characteristics as time management and listening abilities. I have collected a lot of exposure and experiences during this lockdown. I feel happy to do a few these types of productive things during this pandemic.

Thank you

Won Bronze medal in doubles at Poorv Delhi Khel Parisar, Dilshad Garden (pic with my teammate and manager of the tournament) 2:48 pm ✓

"Practice makes the man perfect" Doing service practices at Spuddy academy 2020 for my next tournament 3:04 pm ✓

Playing badminton at Spuddy academy, Indrapuram Ghaziabad 2:54 pm ✓

Doing Badminton Practise at Spuddy academy in Indrapuram Ghaziabad 2019 2:51 pm ✓

Winning celebration in Purv Delhi Khel Parisar with my schoolmates 2:59 pm ✓

Google Review

Ashu Rani

I interacted with the management at the time of the admission of my relative; they were very prompt and supportive. It speaks volume of the school effort to reach that level of support and guidance system. since 1980 Schiller School is providing an education that broadens perspectives, sharpens minds, strengthens bodies and engage hearts.

Miles to go god bless.

A fabulously kept campus. Kudos to the staff

Vishakha Chaudhary

I highly recommend Schiller School to anyone who wants learning combined with holistic development in a great environment.

They are in sync with the digital age, make learning an interesting experience for students by using technology. All the things are taught practically here. This is not practiced in all schools but here it is norm. My nephews are also benefiting highly. Schooling has become hi-tech here for this generation as it is very important now.

Shreya Sharma

I miss you Schiller. Really want to come back. The top most school in Ghaziabad. I am somewhere else these days but really miss being at the school campus, participating in every single competition, getting rewards and being appreciated by all the teachers over there. Thanks for teaching me some lessons of life. The Best school of Ghaziabad. I promise you Schiller group, my babies are gonna get admitted at your school, i will want them to touch the sky and get good opportunities in life by being taught to be confident and intelligent enough to achieve their goals.

Anurag Chaudhary

I interacted with the management of the school they were very prompt and supportive. Their articulation was excellent. It speaks volume of the school's effort that one has put in to reach that level of support and guidance system. The nursery admission procedure is quite easy and simple. I really appreciate the kids

planet curriculum

Miles to go, god bless and congrats to team Schiller for completing 40 years in education.

A fabulously kept campus. Kudos to the staff.

Medha Sharma

My niece has joined a reputed convent school in 2012 from a conventional Indian school where class size was 50 and school strength was around 2500 with no extracurricular activity and no space to play. Thanks to my friend who suggested Schiller to me, now my niece just likes everything about the school. she is in Basketball school team. I would like to recommend it to any parents who are looking for an individual attention and quality education with balance sports. And of course all the credit goes to the teachers. Well experienced and dedicated.

I was thinking since many months to express my thoughts about the school and finally i have put it in words today.

Shuchi Singh

I have recently visited the school and was really amazed with the kind of teachers & infra ... really good school to put your kids. Schiller is having huge Playground and with lots of Outdoor games .I like the way they provide support to the students in their remedial classes. In short no need to give any extra private tuitions to my kid.

Really best CBSE school in Ghaziabad.

Sachin Kumar

Education is a training of the intellect, refinement of the heart and the discipline of the spirit.

The day, I joined this esteemed institution; I heard a lot of good about this school and view of this school always inspired me. I am proud of being a part of such reputed institution.

Schiller has always maintained a very cordial and friendly relationship among its staff members.

Here, I found a positive school climate and atmosphere where individuals are valued and cared. Such an atmosphere contributes to effective teaching

learning and to excellent communication both within and outside the school.

Students on their part are being encouraged to develop a more interested and proactive attitude towards school and studies and to experience a sense of belonging and pride to their school and family.

Kajal Taneja

I loved it. Teachers are very professional. When you have a problem, they are always ready to help you. This is a magnificent school with excellent teachers, classrooms, warm atmosphere and super friendly and helpful staff. I'm very, happy to study in your school. I think you're the best. You have a very good teacher team and staff. I will strongly recommend your school to all my friends. Thank you very much.

Ashwanii Sharma

I highly recommend Schiller Sr. Secondary School Ghaziabad. All the teachers are so kind to each child, truly encouraging each to their strengths. The school is true to its objective to develop its students into responsible, well-informed, environmentally aware citizens and which in turn help to create a better society. Both of my children have thrived under the direction of teachers who have taught here for MANY years. My children LOVE to attend and learn. I am confident that this school has set a solid foundation for their learning path and that they have developed a true love for learning. School has a niche in Science and Technology which is evident with the Solar Car "Aura" made by the students of class IX - XII. The school also offers yoga and art and music and sports, all of which my kids love participating and have gained an appreciation for each. I am confident we made the BEST choice for our children by selecting Schiller School.

Priyanka Aggarwal

The faculty is always happy, smiling and love their work. The

Teachers and care takers take very good care of the children. It is surprising that my younger brother loves to go to school daily. I must say top school in Ghaziabad.

Shiv Chauhan

Kids at this young age are influenced by their teachers and I am glad that my kids are in safe and loving hands in Schiller, where manners are inculcated and sharing and caring is taught. Thank You Schiller.

Hemant Sharma

I really like the school. My son is in grade 1; the holistic & scholastic curriculum is outstanding. Must said top school in whole Delhi/NCR with best infrastructure with good ethics.

Malika Kapoor

The School is best in every aspect, especially cheerful staff & supportive management. Their Leadership qualities are adorable. The way they treat and nourish the skills of a new employee here is tremendous. I personally recommend the school for anyone, who is looking for education only. The school looks like a school, not a 5 star hotel chain.

Ankit Soni

I recently shifted to this new city from muzaffarnagar and searched for top 5 schools in Ghaziabad. And now I must say, yes! If you are looking for a school which is having a nice platform for sports, and extracurricular activities related to research and innovation, Schiller School is the only option for you. Really want to say thank the whole Schiller family for their loving and caring nature my sister. This is the best school in NCR.

Tarun Kaushik

Schiller School provides a global platform for learning global values imparted through excellent education of highest standard. The school educates students from nursery to higher secondary.

Deepak Yadav

A+ Great learning culture at Schiller. The teachers truly care and love the kids. Empathy and kindness is encouraged and rewarded.

Lovely Sharma

This is a magnificent academy with warm atmosphere and super friendly and helpful staff. I'm very, very happy to study at your school. I think you're the best.

You have a very good teacher team and staff. I will strongly recommend your school to all my friends. Thank you very much.'

Preeti Thakran

This place is one of the best providers of education as well as best in digging out kid's skills. Students are made to learn here in amazing ways using different activities, smart class modules, etc.

Teachers here are always available for the kids and the queries of parents are solved on priority basis.

All the very best Schiller.

Keep up the good work

Virendra Yadav

This school is one of the oldest schools and provides best quality education. There are many other schools in this area but I think this school is the perfect place for d children as they get most satisfying atmosphere and most helpful teachers. I feel really happy to see my daughter who is a teacher in this great school, growing each day.

God bless Schiller

Mayank Verma

"Fantastic school in Ghaziabad..! The teachers are Professional, caring and well organized. The admissions process is outstanding. They really care and truly want the best for our Children.

Tarun Gaud Tarun

I've been happy with my experience with Schiller School so far. The principal and the teacher are wonderful. The school is beautiful, especially with the new addition of the sports ground.

Chaudhary Shubham Khaiwal

A positive and wonderful experience here. Solid curriculum and faith is always a part of all they do. Apart from that sport facilities of this school are also wonderful student can learn more and more...

Ajay Kumar

The most I liked about this school was that they are not hungry for more number of students but they are hungry for making students better human being in

their life. Every teacher, staff, management is working on that only which gives me immense pleasure to have my kid in this school. It was a good decision as a father taken by me. All the best to Schiller and its students.

Nemo Productions

It was a wonderful experience as we used to enjoy a lot. There were all modern amenities. They maintained the gap between children and teachers. I wish I could go to school again.

Tilak Raj

Schiller school is known for its balanced curriculum. The school is providing the best infrastructure facility to its students. The teachers are very caring and devoted to their work. My best wishes to whole school fraternity.

PERFECTION

What should I say about this school even I don't know! O Schiller O Schiller We Welcome We Welcome You! Diversities that combine make a whole new world whether it's on the basis of Religion, Caste, or Creed etc. Everyone work here as a Team where the teachers are the building block of school! They are the backbone of the school! Amazing and Innovative Ideas that can compete the whole world I CAN BET ON THAT! I find schools in raj nagar extension and it is very convenient for me to visit this school. I must say Schiller is best CBSE schools in Ghaziabad

Vanjul Yadav

Everyday my both kids are looking forward to coming to school. They very much enjoy their time in school and learning new things each and every day. They participate in a variety of activities and events and enjoy both their teachers and classmates company. They are having great time and lots of fun too.

Madhu Kumari

One of the best school in all aspects. It provides all amenities which are essential for the upliftment of students. Teachers are very much supportive and

always work for the better nourishment of students. School also having good infrastructure with all modern facilities which grooms the students in such a way they are able to compete in fast changing world. Good Luck.

Harshit Tyagi

It is really a school with difference. There is proper management system. Students are brought up in such a environment that they are able to face the challenges in rapidly changing world. Teacher student ratio is very well maintained and school is having all modern amenities like digital class and research clubs.

Princi Kalra

Ghaziabad is bearing the curse of low quality education despite being in NCR. Various prestigious school are out of the budget of a middle class earner. They seems like hotel chains. My Brother... has made leaps and bounds academically, and socially. Now at Schiller- He is safe, appreciated by his teachers and peers, and feels that all the kids are equal.Schiller is the - best school in ghaziabad

Jaspreet Singh

I like the school and everything about it. Good teaching technology and new methodology for teaching are used. Logical approach toward each and everything.....utmost care of the kids .Overall 5/5 ..keep it up!

Parul Mittal

It is an amazing school with amazing faculties and management. It provides all facilities to nourish the child in a healthy environment. The main centre of attraction is infrastructure and teaching methodology

Ginni Singh

Schiller is the best school in NCR. They are unbeatable in sports at District, State as well as National level. Their morning sports academy is outstanding. Football, lawn tennis court, volley ball ,basket ball, badminton, table tennis, yoga, skating, cricket, kho-kho are few games for which they are having the bestest instructors. Recently their achievement in cricket at district level

where schillerites are selected in state and national level is outrageous

Mikky Mukul

It's a best school with proper facilities for all the students and even the faculty is one of the best in Ghaziabad.

I am happy to be a Schillerites.

Swati Singhal

Best School in Ghaziabad - The teachers are Professional, caring and well organized. Teaching methods are best, give attention to every student. The admissions process was outstanding; they really care and truly want the best for our child.

PRAGYA TIWARI

I feel really proud to call myself a Schiller's alumni..... with love and support of our dynamic Chairman sir , Director mam, and teachers i have learned how to tackle harsh and difficult phase of life.....here the staff members are really supportive and caring.....my school provided us lot many platforms to showcase our talent and skills.....

According to me Schiller institute is the best school in world in terms of academic, extracurricular activates etc.

I can write a whole book on my School but still here i have to end up by saying thank you for all the things given to me by my school.

Technical K

Fantastic School. The values and the discipline is very good. Teachers are totally involved in the academics and know each child personally.

Pankaj Butola

Always feel blessed to be a part of this renowned institution! We train students to be the best so that they can stand tall among the competitors.

Dalvir Singh

I searched list of schools in Ghaziabad as I recently shifted to Raj Nagar Extension. I got good reviews about Schiller, so I visited with my grand daughter.

After 6 months I am very satisfied as she seems to be very confident and loves to go to school daily. It is not only comes under top schools in Ghaziabad, it is best school in NCR. There are many schools in raj nagar extension but I prefer Schiller for its good result in board's exams and for its best procedure for nursery admission.

Thorpe Sneha

Schiller is the best school in Ghaziabad My sister was searching for top 5 schools in Ghaziabad and I suggested her for Schiller Sr. Sec. School, it is best school in NCR as there are very less best CBSE schools in Ghaziabad, but this school is the one on whom I trust as it a 39 year old school with good board result every year.

Anil Chauhan

I am pleased with my child's progress, I have enjoyed coming to school for workshops. For any queries teachers are approachable and are always there to help.

Nitin Mittal

It has been a wonderful journey to study and learn here. The teachers are well qualified and very supportive. The faculty and support staff is excellent. Nice Teacher's effort.

Rahul Singhal

This is the oldest and the best school of Ghaziabad. The teachers are professional, caring and well organized. The faculty and support staff is excellent. Teaching methods are best. Teachers give attention to every student.

Vipreet Chaudhary

Since joining the Schiller my daughter has developed in so many ways. She is more confident and balanced and looks forward to going into Schiller everyday. Very nice school.

Seema Joshi

The best place for learners and facilitators!!
Falling short of words to appreciate. I worked here for a pretty long time, and still feel attached. It is still

"Mera School". That is the reason I came back.

Varsha Hooda

I would like to thank Schiller team for such an awesome teachers appreciation week .I feel gratitude and want to say THANK YOU. Indeed the school definitely bring out the best in not only teachers but also in students as well.

Kiran Kandari

Excellent!!!!The school is very welcoming and friendly and clearly puts the needs of the individual children above anything else. All of the staff are so kind, caring and dedicated. There is a wonderful atmosphere in the school.

Tarun Chaudhary

Education facilities are amazing. Theoretical as well practical work are there for students. Interpersonal skill is being developpe which is very important in life. Sport facilities are also best which is also very important for development of Physical Health.

Shweta Smiley

It has been a wonderful journey to study and learn here. The teachers are well qualified and very supportive. The faculty and support staff is excellent. Nice. Thanks a Teachers effort.

Sakshi Nain

Great school that listens to parents and leaves no stone unturned to help the students to achieve heights in any field be it academics, sports, leadership qualities or anything. Last but not the least; Schiller school aims to make its students responsible citizen of country and good human beings.

Preeti Verma

Schiller Sr. Sec. School has exceeded our expectations on so many fronts. We watched from year to year the development made, academic strides and fact that our children were happy and joyful going to school each day. With the weekly assemblies full of public speaking opportunities, we watched our children grow confidence, becoming capable of speaking to

large crowds without hesitation. Rich with arts and music, we feel like the school has everything we were looking for culturally and academically. Schiller is a gem. From a parent perspective, there is no better experience within Ghaziabad. We feel so lucky to have found this absolutely beautiful school that has exceeded everything, we hoped and dreamt for our children.

Dakshit'z world

The experience in Schiller was wonderful; i have never seen such a wonderful school in my life. The best thing about Schiller is that teachers are so friendly and caring; I never felt that i am in a school it always felt like home. EAST OR WEST SCHILLER IS BEST.

Anil Kumar

One of the best school in Ghaziabad. All the teachers are very kind and caring towards children. The school is providing the best infrastructure facility to its students. My best wishes to all school faculty and management.

Manu Sharma

It is an amazing school with amazing faculties and management. It provides all facilities to nourish the child in a healthy environment. The main centre of attraction is infrastructure and teaching methodology.

Aman Mehta

This is the place where we can learn a lot as a teacher as well as a student. Nice and helpful environment for everyone. We can share our views directly to the authority.

Arshi Sharma

Schiller Sr. Secondary school is a very good institution which allows parents to unlock educational opportunities for their children provides school information and parenting resources to help them, support learning at home. School management & teachers are so cooperative & concerned for the students. Wishing good luck to Schiller family.

Arun Chaudhary

A good institution with all modern amenities to nurture the students in best possible way and take the best out of them.

Ajay Tayal

I have never seen such a beautiful school with all modern amenities. It is a great place children used to enjoy a lot in this school. I wish I could study in this school but my bad luck .I was not in Ghaziabad at that time

Kapil Chaudhary

The school is truly great in terms of education and facilities and is not a blend, as are other schools that I have observed. The school offers Yoga, music and all kind of sports.

Poonam Solanki

Swami Vivekananda said "Education is the manifestation of perfection already in a man" and today I realized in this school, how Education can be perfected with participation of teachers, students, Parents and the administrators. This place is the personality development HUB. An energizing, empowering and humbling experience. It is heartening to see the excellent effort at holistic education and supporting divergent perspectives. The best part is that the students are confident, curious and ready to take on the world. Keep up this credible effort. It's a great Institute dedicated to quality education. An exceptional school with dedicated leader and founders.

My best wishes to the school

Poonam Solanki (mother of Arshiya Solanki)

Preeti Goel

"Fantastic School" The staff of this school is caring, well organized, full with new ideas, very much cooperative, ready to assist and hard working. It made our job as parent easier.

Rahul Yadav

"Fantastic School" The teachers are professional, caring and well organized. The admission process is outstanding; they really care and truly want the best of every child.

Shreshtha Tyagi

School has excellent academic system as well as outstanding infrastructure with all modern amenities to nurture the students in a healthy environment. Further more all the faculties and management are very supportive and caring as well.

Joseph Alexander

With an innovative approach and creative teaching methodology, SCHILLER SR SEC SCHOOL RAJNAGAR GHAZIABAD strives for the best.

The School gives various opportunities to its students to explore themselves and enhance their creative quotient.

Daya Yadav

This institution is very good in terms of facilities, teachings, security etc. All the teachers are very hard working and always take initiatives for the student's betterment. Good luck to Schiller family.

Ayush Tyagi

Schiller is a renowned school for its excellence in academics as well as in co-curricular activities. It is also one of the oldest schools in city of Ghaziabad. All the teachers are expert in their subjects and there is competitive environment in school.

Vriti Yadav

School which believes in education with fun activities
Why SCHILLER???????

Because once you admit your child here you will start getting to know what your child is capable of. Schiller brings out the hidden talent that kids are not even aware about.

Teachers here are superb. Safety of all the kids is the priority of this school.

Good luck

Proud to be a part of Schiller family.

Shashi Arora

Schiller has maintained its standard. I had visited the school, there is an amazing infrastructure and most importantly the school is very clean.

Prerna Chaudhary

Well qualified teaching staff, talented sports faculty, music, dance and yoga teachers have mastery in their fields. The best school in town.

Sapna Chauhan

My child is making good progress at Schiller. This school meets my child's particular needs.

Nutan Kumari

It's a wonderful place where kids can learn play and grow along with good infrastructure.

Vishal Mittal

One of the oldest school in gzb providing best education.

Shweta Chauhan

Schiller is just another home away from a home. The school is awesome. With good facilities.

Vishnu Swaroop Srivastava

Appreciation cannot be described in words. In Schiller children are taught with all the facilities, it is a matter of physical development of children from different sports or the invention of solar car by the children of the research club, if I have to say in one line, children here are blessed with all round development and I am happy that my son is a part of this school.

इस विद्यालय की जितनी प्रशंसा की जाये कम है, जहाँ सारी सुविधाओं के साथ बच्चों को पढ़ाया जाता है विभिन्न खेलों से बच्चों के शारीरिक विकास की बात हो या रिसर्च क्लब के बच्चों के द्वारा सोलर कार का आविष्कार अगर एक लाइन में कहना चाहूँ तो यहाँ बच्चों की पढ़ाई के साथ उनका सर्वांगीण विकास होता है मैं खुश हूँ की मेरा बेटा इस विद्यालय का हिस्सा है

GOOGLE REVIEWS

There is good and safe environment for our kids, teachers, Chairman Sir (AK Gupta Sir), AP Sir and other staff members are very protective for our children. - **Sakshi Sharma**

Fantastic school! The teachers are Professional, caring and well organized. The admissions process was simple. School really cares and truly wants the best for your child.”- **Mamaeen Siddiqui**

It was a wonderful experience as we used to enjoy a lot. Sometimes we don't want to go home. There were all modern amenities. They maintained the gap between children and teachers. I wish I could go to school again. -**Naman Gupta**

I've been happy with my experience with Schiller School so far. The principal and the teacher are wonderful. The school is beautiful, especially with the new addition of the sports ground. - **Manav Tyagi**

I really appreciate the efforts of the Schiller school they are taking to give the best education to the students. Apart from it teachers inculcate the Life skills in the students so that they can achieve best in the life. We have also taken steps towards to sustainable development to help our environment to be clean and fit for future generations. According to me it's the best school for the student's future and best management providing every resources to teach them from every means. - **Anuradha sharma**

Schiller Institute Sr. Sec School is the best school in Ghaziabad. The best thing what I like about this school is that the Management is fully involved in all the aspects be it Academic, Sports, Extra Curricular Activities. Personal Interaction is always involved with the Management, Teachers and all the Staff Members. My recommendation will always go for this school for the better future of the children. - **Vidhi Khanna**

We have just started at Schiller Institute Sr. Sec. School a month back and we are amazed to see the way teachers helped our both kids cover their respective syllabus. They have even arranged extra classes themselves to make both children feel comfortable with new subjects. We really found the teachers very cooperative, caring and well organized. We are really impressed with the admission process and the counselling given to us. It has made the transition very smooth for us. We have found admission coordinator very professional and soft spoken. She made our all doubts cleared in no time. The online classes are well organized and teachers give every student adequate time to clarify their doubts. We have really felt that school cares about students. With best wishes. - **Nitin Jain**

Schiller academy brings in good learning along with overall development for your kids. The school has a very good management and administrative staff. Overall a good experience with the faculty and admin there, highly recommended for parents who seek education cum development for their kids along with curriculum studies. - **Anuj Tyagi**

My daughter has truly blossomed over the past two years academically and socially. She is always eager to go to school and has a wonderful relationship with her teachers. The director and teachers make themselves very accessible and very supportive. I will be sad when my daughter transitions out but look forward to my son being part of this school very soon! - **Shrushti Rana**

Schiller Senior Secondary School. It is a very good school with high academic standard with a belief that every child is unique. The efforts being made by the management and the staff are very effective. It has good learning along with overall development for our kids. Overall a good experience with the faculties and admin there, my daughter (gauravi Tomar) is always happy to have a good teacher like Anu mam and Kritika mam, they all are caring and polite, and well organized with best Sports facility.

A Very Good Evening Ma'am Here Avni's mother SARIKA. I just want to say that the school is going in a very good direction by taking the classes online in this pandemic because in this situation all students not students but the whole of India is at home. So, I really appreciate your efforts to take online classes and making students able to understand things more efficiently, and making students capable of doing the right thing in the online mode. Thanks for being such a Valuable teacher for our children. Thank YOU

-Sarika

Parents Review

The Approach of Schiller during the Pandemic Covid is quite impressive. The School promptly started arrangement of online classes so that there would be no loss of studies.

In the initial phase of remote classes some difficulties were faced on both ends i.e. students and teachers yet it was well managed.

The teachers are very supportive and definitely conscientious. Students are missing the school and the one to one interaction to fellows and students.

Subject : Reviews About the School

Online classes are an innovative way to keep the learning going on even during lock down. Dear Ma'am..Your all classes are always very interesting and full of energy. In this tough situation, when this world is suffering from a pandemic, students were anxious about their future, I am very happy.

Thanks to Schiller and all the Teachers

EXHIBITION

NIKOLA TESLA SCIENCE EXHIBITION (ONLINE)

04th August 2020

The annual science exhibition was held online this year and students actively participated in it. It was successfully completed as the students showed their extraordinary talent by making different working models like: Water Dispenser, Solar system, Volcano eruption, Renewable energy system, Homemade water purifier, Speaker Generator, Power generator without fuel, Blind cut detector in hilly areas, Road Safety Model, etc. Students of grade 1 to 12 participated and secured 1st, 2nd and 3rd positions in their respective categories.

ACTIVITIES

THANK YOU, WE SUPPORT YOU
03rd April 2020

Schiller organized a poster making, Drawing, Cards making for grade 1 to 12th to say THANK YOU, WE SUPPORT YOU to nurses, Doctors and other health care providers as they work tirelessly to deal the global pandemic.

Students made very beautiful cards and posters.

ACTIVITIES

EARTH DAY POSTER MAKING 20th April 2020

On April 20th 2020 schiller organized a poster making workshop On Earth day.
EARTH DAY is an event celebrated every year on 22th April .it is celebrated to create awareness about protecting our planet and preserving the environment. Saving water, reducing pollution, protecting the wildlife, plants and trees, recycling waste are just a few means to saving our environment.

ACTIVITIES

BEST OUT OF WASTE 28th January 2021

Little hands with imaginative minds came together in a creative burst to energy during the workshop of “Best out of Waste” held on 28th January 2021 organised by Art and Craft Department.

The Students from Grade 1 to 5 prepared very creative and innovative art items from different waste materials.

Parents and teachers praised the imaginative skills of the kids and motivated them to reduce the waste to save our planet Earth and also appreciated the ability of the students to think and organize their thought to create such beautiful items thereby creating awareness among everyone to love and protect their environment.

ACTIVITIES

MIME ON SAVE WATER 28th March 2021

Schiller Institute Sr. Sec. School presented MIME on "Save Water" in which students portrayed how a farmer depended upon Irrigation and Rain water. Unfortunately due to the wastage of water in cities, railway station, houses, the water level is decreasing rapidly and water cycle is also getting disturbed and due to which there is drought like condition in many areas. When the farmer saw this he totally surrendered and dreamt of suiciding but after seeing his wife and daughter, he decided to create awareness among people and make it a "Jan Andolan". The media captured his story and every citizen admired his effort and became a part of it. Finally, situation became better and rain occurred in his village.
